AMENDMENTS TO THE RULES OF RACING AND PENALTY GUIDELINES – WHIP USE

Following consultation with sector groups, the wider industry, and the Racing Integrity Board, NZTR gives notice that it has amended the Rules of Racing as they pertain to the use of the whip, and amended the Penalty Guidelines as they pertain to the use of the whip and to careless riding.

Most importantly, from 1 September 2021 the whip must not be used in consecutive strides of the horse at any stage of the race.

The amendments are to Rule 638(3) and 1106 and came into force on 1 September 2021. They supersede all previous Rules and guidelines.

NZTR REVISED PENALTY GUIDELINES FOR IMPROPER WHIP USE AND CARELESS RIDING (Issued under Rule 106 of the Rules of Racing)

These revised guidelines came into force from 1 September 2021.

NZTR's position continues to be that the excessive or improper use of the whip during racing is unacceptable (particularly where repeated) and must be denounced and discouraged by way of a penalty. The proposed adjustments are the starting point for penalties. More severe penalties may be imposed should the circumstances warrant.

1. Whip Offences

For breaches of the Whip Rule prior to the 100m mark:

1st offence starting point: Greater of \$250 fine or 50% of jockey share of stake.

2nd offence starting point: Greater of \$500 fine or 50% of jockey share of stake.

3rd offence starting point: 5 national day suspension plus 50% of jockey share of stake.

4th offence starting point: 5+ national day suspension plus 50% of jockey share of stake.

For breaches of the Whip Rule regarding consecutive strikes:

2 consecutive strikes: Warning.

If offence after prior warnings or if subsequent to prior offences, Stewards discretion to charge on same basis as 3 consecutive strike.

3 consecutive strikes

1st offence – greater of a \$150 fine or 50% of jockey share of stake.

2nd offence – greater of a \$300 fine or 50% of jockey share of stake.

3rd offence – greater of a \$500 fine or 50% of jockey share of stake.

4-5 consecutive strikes

1st offence – greater of a \$400 fine or 50% of jockey share of stake.

2nd offence – greater of a \$500 fine or 50% of jockey share of stake.

3rd offence – 5 national day suspension plus 50% of jockey share of stake.

6 or more consecutive strikes

1st offence – 5 national day suspension plus 50% of jockey share of stake.

2nd and subsequent offences – 6 or more national day suspension plus 50% of jockey share of stake.

Further provisions:

- A prior offence in any category of breach is included in consideration of penalties.
- Additional National Days and/or an increased percentage of the jockey share of stake to be added where whip infringement is in a black type race, a prestige jumping race or other major race.
- Charges upheld within 6-month period: Each consecutive penalty in 6 months, raise by 1 or 2 days.

Careless Riding

Low-range starting point: 5 national days suspension

Mid-range starting point: 7 national days suspension

High-range starting point: 10 national days suspension

Further provisions:

- Fines to be added as a % of stakemoney earned in black type/major races.
- Concessions may be considered with respect to fines imposed on Apprentice Jockeys.

Deferment:

If, at the time the suspension is imposed, the rider is engaged to ride a horse or horses in a race(s) during the next 7-day period after the day on which the suspension is imposed, then the suspension will be effective as set out in Rule 1106(2)(b) or Rule 1106(3)(b).

However, if the rider is engaged to ride a horse in a race on the 8th, 9th or 10th day after the day on which the suspension is imposed, then the suspension will be effective from the earlier of: 3.1. the completion of such engagements within that period; or 3.2. from the day immediately following the 10th day after the day the suspension was imposed.

Resetting of penalties:

- If a rider does not repeat a whip related offence for 6 months, previous offences are disregarded for the purposes of determining the penalty.
- If a rider does not repeat a careless riding offence for 12 months, previous offences are disregarded for the purposes of determining the penalty.

Please refer to the Rules for the complete list of all amendments. A copy of the amended rules can be found on the LOVERACING.NZ website, under NZTR on the home page banner.

The NZTR funding policy for the current season includes the establishment of a \$500,000 innovation fund and the first five club innovations to be approved are detailed below.

ODT SOUTHERN MILE SERIES

The Otago Racing Club is promoting the Otago Daily Times Southern Mile series, to be staged by six clubs over four venues, with the opening race on Boxing Day and the final at Wingatui on March 5.

There will be 10 qualifying races, each run over 1600 metres, at the Rating 65 and Rating 74 level.

The final will be a 1600m Benchmark Rating 82 Special Conditions Handicap.

To be eligible for the final, horses **must** have competed in at least one qualifying race.

Points will be allocated on the following basis: 10 points for 1st, 8 points for 2nd, 7 points for 3rd, 6 points for 4th, 5 points for 5th, 4 points for 6th, 3 points for 7th, 2 points for 8th, 1 point for 9th and 1 point for 10th.

The field for the final will be selected from the horses with the highest number of points. In the event of horses being on the same number of points, preference will be given to heat winners. If there is no heat winner, selection will be based on horse ratings, followed by NZTR Handicapper discretion.

In the event of a qualifying race at a feature meeting being split, the consolation race placegetters will receive half points i.e. 5 points for 1st, 4 points for 2nd and so on down to 10th. There will be no additional stake added to a consolation race.

In the event of a qualifying race at an industry meeting being split, the additional stake of \$5,000 will be divided equally over the two races. Placegetters will receive full points i.e. 10 points for 1st, 8 points for 2nd and so on down to 10th.

POINTS SYSTEM FOR MAIDEN RACES

The following is an explanation of the points system used for field selection for maiden races:

Raceday 2nd add 2 points – minimum 7 points, maximum 9 points

Raceday 3rd add 1 point – minimum 6 points, maximum 9 points

Raceday 4th minimum 5 points – if presently higher stays as is

Raceday 5th minimum 2 points – if presently higher stays as is

Raceday 6th in one of a horse's first 3 starts will accrue 1 point. This is not accumulative.

- 1 point to be deleted for every unplaced run (6th or worse), after 3 unplaced runs points revert to zero.
- Any Maiden horses rated 45 that win a trial receive 2 points. Points are not cumulative.
- Fell, brought down, pulled up, ran off, disqualified and lost rider are ignored.
- An unplaced run in a Group or Listed race is ignored.

Examples:

0287..... 5 points 766..... 1 point 4565..... 4 points

8202..... 8 points 3908..... 0 points 006..... 1 point

4522..... 9 points 0499..... 3 points 2005..... 5 points

9984..... 5 points 4564..... 5 points 2434..... 8 points

TRIALS BALLOTING CONDITIONS

In the event that the number of entries for a trial meeting means that the number of heats exceed 30, then the following elimination conditions will apply:

1. When programming trials, preference will be given to those events that were eliminated at the previous trials meeting in the Northern Region.
2. In August, September & October, Maiden four year olds and upwards will be eliminated first starting with the longest distance. If further eliminations are required the next horses to be eliminated will be Maiden three year olds starting with the longest distance. In the months of November through July (inclusive) Maidens will be eliminated first starting with the longest distance.
3. Exemptions regarding longer distance heats will be considered if there is a need to accommodate horses preparing for jumping races.
4. When trial fields are compiled in the months of November through July (inclusive) three & four year old+ Maiden heats will be combined. In August, September & October, three & four year old+ Maiden heats will be programmed separately.
5. If the deletion of heats is necessary at 12pm, the fields will remain open for a further 30 minutes. The trainers of eliminated horses will be advised via text and/or email to be given an opportunity to move their horse or horses into a heat for which they are eligible, and in which there is an available position, notwithstanding the starting limits that apply. This will be done on a first come first served basis.
6. Once the fields have closed, no further entries will be received or horses swapped except in extreme circumstances, such as a horse being placed in an incorrect heat by the NRB.

SCRATCHING FEE

A scratching fee will apply to any horse that is scratched from a trial meeting after the nomination deadline has passed.

The scratching fee will be the applicable starters fee.

The scratching fee will be waived in the following circumstances:

- A veterinary certificate is received by NZTR by 12 noon on the first business day after the trial meeting.
- A horse starts at a race meeting within 5 days of the scheduled trial meeting.
- The track conditions move two bands in either direction after the nominations have closed. E.g. Good - Slow, Dead - Heavy and vice versa.
- A horse is late scratched at the barrier on veterinary advice.
- The Club requests that NZTR remove the fees from any horse.
