- (2) NZTR shall determine the amount of funding to be provided to each Club for the purpose of providing stakes for Races held by that Club in accordance with its programmed Race Meetings.
- 503 (1) The value of prizes not in money shall, as far as practicable, be stated in the programme as advertised in accordance with these Rules.
- (2) All stakes shall be advertised as exclusive of goods and services tax, and for each Race the total stakes payable by NZTR (on behalf of the relevant Club) in respect of each horse that has finished in a stake-bearing position in that Race shall be allocated to the then Owner(s) or lessee(s) (as the case may be) or its Racing Manager on their behalf, the Trainer and the Rider, as follows: [Amended 1 June 2013]

Rider	5%	5%	10%	10%

- (3) In respect of a non-returnable prize NZTR shall pay, on behalf of a Club, the goods and services tax (if applicable) on the value of such prize to the applicable prize winner. [Amended 1 June 2013]⁴

In respect of a returnable prize neither the Club nor NZTR, on the Club's behalf or otherwise, shall pay goods and services tax.

- (5) Notwithstanding anything to the contrary expressed or implied elsewhere in these Rules, a sum of money credited to a horse in respect of a particular Race shall not be deemed to be stakes unless such sum is so credited solely on account of such horse having been placed by the Judge (or, in the case of an inquiry resulting in a change of placings, by the Adjudicative Committee) in a stake bearing place in that Race. A sum which is intended to be credited to a horse in a particular Race merely on account of that horse having started in a Race shall not be included in the stake advertised for the Race and such sum, when credited or paid, shall not be deemed to be stakes. [Amended 1 June 2013]
- 504 Save as provided elsewhere in these Rules, a deduction shall not be made from the advertised stakes for a Race.
- 505 (1) The Owner or lessee (as the case may be) or (where applicable) the Racing Manager, of every horse shall notify NZTR, in writing on the appropriate horse registration form referred to in Rule 406, whether the Owner or lessee (as the case may be) is or is not a person registered under the Goods and Services Tax Act 1985 and carrying on a taxable activity within the meaning of that Act in respect of that horse and, if he is so registered, the Owner's or lessee's (as the case may be) goods and services tax registration number.
- (2) Subject to Rule 505A and Part XV, NZTR, on behalf of a Club, shall pay to the Owners or lessees of a horse, or its Racing Manager on the Owners' or Lessees' behalf, a sum of money, being 80% or 85% (as applicable, in accordance with Rule 503(2)) of the gross stakes (exclusive of trophies, prizes and the value of any awards or rights) credited to that horse for a particular Race while owned by such Owners or lessees (as the case may be), less any amount which NZTR, on behalf of a Club, is legally obliged to deduct therefrom for tax, within 45 days after the conclusion of that Race Meeting except that where the sum of money or any part thereof is in doubt by reason of an inquiry held or pending, payment of the sum payable or such part thereof as is in doubt shall be withheld until the inquiry and any appeals have been concluded. For the purposes of this Rule an inquiry shall be deemed to be held or to be pending when any test in relation to a horse placed by the Judge in a stake-bearing place is made pursuant to any other authority in these Rules relating to the administration to a horse of any drug and in such event NZTR, on behalf of the Club, shall withhold payment of the sum in the same manner and for the same time as is provided by Rule 505A in respect of winnings. [Amended 1 June 2013]
- (3) A Club shall be responsible for the delivery, within the time set out in sub-Rule (2) above, of any prize not in money owing to the Owner(s) or lessee(s) (as the case may be) and the payment of any applicable goods and services tax. [Amended 1 June 2013]
- 505A Notwithstanding any other Rule (including Rules 326, 332 and 505), where, in relation to a horse placed by the Judge in a stake-bearing position for which the amount of the total stakes payable for that Race, or the total stake payable for that stake-bearing position, is \$25,000 or greater, any test, examination or Sample is taken or made pursuant to any power in these Rules relating to the administration of a Prohibited Substance to a horse, winnings, stakes or prizes or applicable goods and services tax shall not be paid or delivered to any potential recipient (including but not limited to the relevant Trainer, Owner(s) or lessee(s) (as the case may be) and Rider) in respect of that horse: [Amended 1 June 2013]
- (a) until the result of such test, examination or Sample has been notified to NZTR as being a negative result; or
- (b) if as the result of such test, examination or Sample an investigation or proceeding is taking or is to take place, until such time as the investigation, proceeding and any appeal relating thereto have been concluded and determined,
- provided that NZTR may (in its sole discretion, but subject to Part XV) pay, on a Club's behalf, any stakes or deliver any prize, the value of which is less than an amount set for such purposes, to any potential recipient (including but not limited to the relevant Trainer, Owner(s) or lessee(s) (as the case may be) or Rider) prior to the result of such test, examination or Sample being notified to NZTR or the appeal, investigation or proceeding being concluded and determined and in the event the result is positive and/or any investigation, proceeding or appeal is concluded and determined in a manner that requires that any winnings, stakes or prize be refunded or returned by that recipient, then NZTR may, on a Club's behalf, off-set the value of any such stakes or prize already paid from any other winnings, stakes or prizes payable to that recipient by NZTR on the Club's behalf. For the

avoidance of doubt, in the event that the result of such test, examination or Sample has been notified by NZTR as being a positive result and no investigation, proceeding or appeal relating to that result has concluded and determined otherwise, then NZTR, on behalf of the relevant Club (as applicable), shall be under no obligation to, and shall not, pay or deliver the winnings, or other stakes, prizes or fees or Goods and Services Tax payable for the particular stake-bearing position in relation to that horse.

ACCEPTANCES

- 530 All entries are subject to approval and NZTR or a Stipendiary Steward may decline to approve, or at any time after having approved an entry, reject any entry for a Race, despite a horse being eligible in accordance with these Rules to run in such a Race.
- 531 NZTR may, in such manner as it deems fit, reduce the number of acceptances or deemed acceptances for or, the probable starters in, a Race so as not to exceed the appropriate starting limit. Any horse affected by such reduction may be re-entered in such number and order as NZTR may decide following consultation with the Trainer of the horse so affected. The acceptance fee paid in respect of a horse so affected and not re-entered shall be refunded.

ACCEPTING AND WITHDRAWING HORSES

- 532 A horse nominated for a Race shall, unless the conditions applicable to that Race otherwise provide, be deemed to have been accepted and to be an acceptor for that Race unless instructions to withdraw it from the Race were received by NZTR from the Trainer or Owner or lessee (as the case may be) or his Agent or Racing Manager not later than the Withdrawal Deadline. The acceptance fee for that Race shall be payable in respect of a horse unless it is withdrawn in accordance with this Rule. Where instructions for withdrawal of a horse from a Race Meeting that are received by NZTR do not specify a particular Race at that Race Meeting, such instructions shall be deemed to apply to all Races for which the horse has been entered at that Race Meeting. [Amended 1 June 2013]
- 533 No Trainer or Stable Foreman of a Trainer shall, without the prior consent of the Owner or lessee (as the case may be) or his Agent or its Racing Manager, withdraw from a Race a horse which the Trainer is or has been training if such horse has been removed, or the Trainer or Stable Foreman has received notice of intention to remove such horse, from the Trainer's custody. [Amended 1 December 2013]

SCRATCHING HORSES

- 534 (1) At any time from the Withdrawal Deadline to the scratching deadline (as specified for the relevant Race Meeting in accordance with Rule 510(d)(v) or as amended by NZTR from time to time) on the relevant Race day, a person intending to scratch a horse from a Race (after it has been accepted or is deemed to have been accepted) shall give notice to that effect to NZTR and where such notice for scratching a horse refers to a Race Meeting but does not specify a particular Race at that Race Meeting, such notice shall be deemed to apply to all Races for which the horse has been accepted or deemed to have been accepted at that Race Meeting.
- (2) (a) If, after the scratching deadline (as specified for the relevant Race Meeting in accordance with Rule 510(d)(v) or as amended by NZTR from time to time) on the relevant Race day, a Trainer or an Owner or lessee (as the case may be) or his Agent or its Racing Manager wishes to scratch a horse from a Race he must (whether by production of a veterinary certificate acceptable to the Stipendiary Steward or otherwise) attempt to satisfy the Stipendiary Steward that there are circumstances which warrant the horse being scratched and that he is therefore entitled to scratch it

after that time. If the Stipendiary Steward is so satisfied, the Stipendiary Steward may authorise the Trainer or Owner or lessee (as the case may be) or his Agent or its Racing Manager to scratch the horse. [Amended 1 June 2013]

- (b) If the Stipendiary Steward is not so satisfied, he shall complete an information and file it with the Adjudicative Committee and the Adjudicative Committee shall then determine whether there are such circumstances and whether the Trainer or Owner or lessee (as the case may be) or his Agent or its Racing Manager is authorised to scratch the horse after that time. [Amended 1 June 2013], [Amended 1 September 2020]
 - (c) A material change in the condition of the track, occurring after the scratching deadline (as specified for the relevant Race Meeting in accordance with Rule 510(d)(v) or as amended by NZTR from time to time) on the relevant Race day, shall be deemed by the Stipendiary Steward and the Adjudicative Committee to constitute such circumstances.
- (3) A Stipendiary Steward may scratch a horse at any time from the Withdrawal Deadline up until the scratching deadline if there are reasonable circumstances which, in the opinion of the Stipendiary Steward, warrant that horse being scratched.
 - (4) If the Trainer or Owner or lessee (as the case may be) or his Agent or the Racing Manager of a horse which is scratched pursuant to Rule 534(3) wishes to appeal against that decision, he shall inform the Stipendiary Stewards of that wish and a Stipendiary Steward shall file an information with the Adjudicative Committee who shall consider the matter de novo. [Amended 1 June 2013]
 - (5) Scratchings shall be final and a horse which has been scratched by the Trainer or Owner or lessee (as the case may be) or his Agent or its Racing Manager shall not be reinstated for a Race, unless following an application from the Trainer or Owner or lessee (as the case may be) or his Agent or its Racing Manager NZTR, in its sole discretion, directs that a horse which has been so scratched be reinstated. [Amended 1 June 2013]

HANDICAPS AND WEIGHTS

- 535 Every handicap for a Handicap Race shall be framed only by a Handicapper appointed by NZTR and in accordance with the weights and allowance prescriptions and requirements set out in the Racing Policy. A Handicapper shall not, and has no power to, appoint a deputy or assistant.
- 536 Subject to Rule 542, a horse is to carry, as a minimum, the weight allotted to it by the Handicapper.

DECLARATION OF RIDERS

- 537 The Trainer or Owner or lessee (as the case may be) or the Agent of the Trainer or Owner or lessee (as the case may be) for a horse accepted or deemed to have been accepted for a Race shall: [Amended 1 June 2013]

- (2) If the conditions of a Race prescribe that only a Rider holding a Class B rider's licence is eligible to ride a horse in that Race, then only a Rider holding a Class B rider's licence may ride a horse in that Race unless NZTR is satisfied that there is no Rider holding a Class B rider's licence available to ride a particular horse which is entered in such Race, in which event that horse may be ridden by a Rider holding a Class A rider's licence provided the horse carries a weight penalty of 3 kg.

PENALTIES

- 539 A horse shall not, in a Race, carry extra weight (either by way of penalty or re-handicap) for having run in second or in any lower place in any other Race, if the weights for the first mentioned Race have already been determined and issued.

RIDERS PRESENT

- 605 (1) A Rider who has a riding engagement at a Race Meeting must present himself in the jockeys' room at least 40 minutes before the starting time for the first Race in which he has a riding engagement.

IDENTIFICATION, RACING GEAR AND RIDING GEAR

609 NZTR may determine and publish an approved gear list of:

(a) the type and nature of gear which is required to be used, and which it is permissible to use, as racing gear for horses and riding gear for Riders; and

(b) Notifiable Gear, which is to be used in accordance with Rule 616,

and a horse or Rider using racing or riding gear, as applicable, must only use gear in accordance with the requirements of these Rules except where:

(c) a Stipendiary Steward grants a Rider who is temporarily visiting New Zealand permission to use gear which may not comply with the requirements of the approved gear list, provided that the Stipendiary Steward is satisfied that such Rider's gear is approved for use in the country in which the Rider normally resides; or

(d) NZTR, in its sole discretion, permits from time to time the use of racing or riding gear which is not in accordance with the requirements of these Rules and the approved gear list, in which event a horse or Rider may use such alternative riding or racing gear as expressly permitted by NZTR and in accordance with any conditions NZTR may impose.

610 (1) NZTR shall, from time to time, publish all types of body protectors as have been approved by it.

(2) A Rider shall, when mounted on a horse, wear:

(b) a skull cap of a type and standard approved by NZTR.

The sole responsibility for wearing a body protector and skull cap in accordance with these Rules and for ensuring that the body protector and skull cap is in a satisfactory condition is that of the Rider, provided that where the Rider is an Apprentice Jockey such Apprentice Jockey's employer, or a representative of their employer who is in charge of the Apprentice Jockey at any relevant time, is also responsible for the Apprentice Jockey wearing a body protector and skull cap in accordance with these Rules and for ensuring such body protector is in a satisfactory condition.

(3) A Stipendiary Steward may confiscate or order the satisfactory repair of any body protector or skull cap that does not comply with the requirements of sub-Rule (2).

(4) A Rider may not wear or have in their possession a body protector or a skull cap that has been modified in any way.

613 A person must not start or attempt to start a horse in a Race or trial (including a jump-out, or test for certification purposes with a horse):

- (a) in bandages, unless those bandages are securely fastened to the satisfaction of a Stipendiary Steward;
- (b) *[Deleted 1 April 2019]*
- (c) in plates having a sharp flange or sharp projection on the ground-bearing surface, or which are excessively worn or otherwise faulty or defective; or
- (d) unless fully shod with approved plates in accordance with the plating provisions of the approved gear list determined and published by NZTR in accordance with Rule 609, provided that in exceptional circumstances a Stipendiary Steward may permit a horse to run unshod or partly shod.

If a horse wears shoes, or wears plates which are in breach of paragraph (c) or paragraph (d), it may be, in addition to any other penalty which may be imposed, disqualified for such Race or trial. The obligations set out in paragraph (c) and paragraph (d) of this Rule also apply to a person shoeing the horse for that event, who for the purposes of this Rule shall be deemed to have attempted to start the horse in such Race or trial in such shoes or plates.

614 (1) In order to prevent danger to himself or to any other Riders or to any horses in a Race or trial (including a jump-out or test for certification purposes), a Stipendiary Steward may require a Rider to lengthen his stirrup leathers.

(2) A person must not be neglectful or careless in saddling a horse.

615 A loss or breakage of gear during a Race or trial (including a jump-out or test for certification purposes), or any unusual happening in connection with gear, shall be reported by the Trainer and/or Owner or lessee (as the case may be) and/or Rider to the Stipendiary Stewards immediately after the Race or trial.

NOTIFIABLE GEAR

- 616 (1) Subject to Rules 609 and 616(2), only an item or items of approved gear or Notifiable Gear may be used on a horse in a Race, a trial, jump-out or in trackwork, provided that the Stipendiary Stewards may approve other gear for a particular horse to be used in trackwork.

- (3) A trainer shall not start or attempt to start a horse in a Race unless that horse has a numbered saddle cloth supplied by the Club which may contain a device to permit the capturing of data on that horse's performance during the Race. Any such data may be used by NZTR for such purposes as it sees fit. [Amended 1 August 2014]
- (4) When permission has been obtained in accordance with sub-Rule (2) of this Rule 616 for the use of an item or items of Notifiable Gear on a horse, such item or items of Notifiable Gear will continue to be used without variation on the horse concerned in consecutive subsequent Races unless permission has been obtained from a Stipendiary Steward before the horse is accepted or is deemed to be accepted for a subsequent Race, or the Trainer is otherwise approved or instructed by a Stipendiary Steward to change or adjust the Notifiable Gear that is to be used for that horse.

- (5) A horse which starts, or attempts to start, in a Jumping Race shall be subject to the requirements of sub-Rules (1), (2) and (3) of this Rule 616 together with requirements of Rule 529.

 - (a) for a Flat Race shall only apply to Flat Races;
 - (b) for a Jumping Race shall only apply to Jumping Races.

For the avoidance of doubt, the Trainer has no obligation to seek a Stipendiary Steward's approval to start or attempt to start a horse in a subsequent Flat Race with the same item or items of Notifiable Gear as it started in for the last Flat Race it ran, irrespective of whether it started in a Jumping Race in other approved items of Notifiable Gear between such Flat Races. The same applies in respect of in consecutive subsequent Jumping Races.

- 618 (1) Subject to sub-Rule (2) below, it is a Rider's responsibility if he is engaged to ride a horse in a Race to ensure that:
- (a) he is weighed out for that horse at the appointed place more than thirty minutes before the starting time of the Race, or such other time specified by NZTR on Race day; and
 - (b) he weighs out at the correct weight, including claiming the correct allowance in the event that he is an Apprentice Jockey, or is a Rider eligible to claim an allowance in a Jumping Race or Highweight Race in accordance with Rules 542(2) or (3), as applicable, provided that where the Rider is an Apprentice Jockey, such Apprentice Jockey's employer, or a representative of their employer who is in charge of the Apprentice Jockey at any relevant time during that Race Meeting, is also responsible for the Apprentice Jockey complying with his obligations under paragraphs (a) and (b) above.
- (2) Any horse which starts in a Race and is ridden by a Rider or an Apprentice Jockey, as applicable, with an incorrect weight or weight allowance, having regard to this Rule, may be, in addition to any other penalty which may be imposed, disqualified for the Race by the Adjudicative Committee.

- and unless a Stipendiary Steward permits otherwise, that Rider (after being weighed out) must not remove or add any article of wearing apparel (including any dead weight about his body) or riding gear with which he did or did not weigh out as the case may be.
- 620 (1) A Rider shall be weighed wearing his body protector and shall be deemed to have been weighed out at the weight shown on the scale less 1 kg to take into account the weight of his body protector.
- (2) Subject to sub-Rule (1) above, if a Rider, in being weighed out, exceeds by 0.5 kg or more the weight required by the conditions of the Race to be carried by his mount, the amount of such excess shall be deemed overweight and the amount of such overweight shall be declared by the Clerk of the Scales to a Stipendiary Steward and the Rider may then only proceed to ride in the Race with such overweight with the permission of a Stipendiary Steward.
- (3) If a Stipendiary Steward or Investigator is satisfied that any Rider whose name has been declared to NZTR is unable to make the weight which the horse he was to ride was

handicapped to carry (or such other weight at which he may have agreed to ride the horse) the Stipendiary Steward or Investigator may permit another Rider to be substituted for the declared Rider and in such case no riding fees shall be payable to the declared Rider and no penalty shall be imposed upon the Trainer on account of the change in Riders.

622 A Rider who is examined by or consults a Registered Medical Practitioner because of injury suffered through an accident or because of having for any reason become unfit for work or riding or who becomes aware or ought reasonably to become aware of circumstances, whether resulting from accident, illness or otherwise, which may affect his fitness for work or riding shall be required to obtain from a Registered Medical Practitioner, and to produce to a Stipendiary Steward or Investigator, a medical certificate as to his fitness to ride before riding in a Race at a Race Meeting, or riding in any trials (including jump-outs or tests for certification purposes) or trackwork.

623 A Stipendiary Steward, who on reasonable grounds considers that a Rider may be unfit to fulfil a riding engagement for a Race, trial (including a jump-out or test for certification purposes), or trackwork because of injury, illness or other disability, may require the Rider to undergo a medical examination by a Registered Medical Practitioner in order to determine the Rider's fitness for riding and a Rider who has been required to undergo such a medical examination shall not ride in any Race, trial (including a jump-out or test for certification purposes), or trackwork unless a medical clearance has first been obtained and a medical certificate to that effect has been produced to a Stipendiary Steward.

- 624 (1) If a Rider:
- (a) is prevented by accident or illness; or
 - (b) in the opinion of a Stipendiary Steward or the Adjudicative Committee, is otherwise unfit to ride in a Race or trial (including a jump-out or test for certification purposes), or his removal is necessary to ensure safe riding in a Race or trial,
- the Rider may, with the permission of the Stipendiary Steward, be replaced by another Rider.
- (2) If, after a Rider has been weighed out for a horse, the horse is in the opinion of the Adjudicative Committee prevented by accident, injury, illness or other mishap from starting in a Race, a riding fee shall be paid to the Rider. The decision of the Adjudicative Committee shall be final.

STARTING BARRIERS

- 627 (1) Subject to sub-Rule (2), the order of stall positions at the starting post from which horses shall start shall be determined by NZTR either conducting a draw for such stall positions or using a random number selection facility.
- (2) Where the order of stall positions is to be determined by a manual draw for promotional purposes, the draw shall be conducted by a Stipendiary Steward.
- 628 (1) At a Race Meeting all Races shall, unless a Stipendiary Steward otherwise determines, be started with starting stalls approved by the Stipendiary Stewards.

AT THE START

- 629 All Races shall be started by the Starter and, if applicable, Starter's assistant, or a person approved by the Stipendiary Stewards to carry out the role of Starter or Starter's assistant.
- 630 Only the Starter and his assistants, a Veterinarian, a farrier, the Clerks of the Course and the Riders in the Race, are permitted to be at the start of a Race, unless a Stipendiary Steward provides otherwise.

- (4) If the Race is a Jumping Race then, a Stipendiary Steward in consultation with the Starter may in any case of emergency or with the prior permission of the Adjudicative Committee start a Race without using the approved starting stalls in which case the horses shall be drawn up in their proper order of stall positions and as nearly as possible in a straight line and the Race shall commence from a standing start, if possible, although this is not obligatory. If in so doing the Race is run over a shorter distance it shall not be void. An objection or protest shall not be taken or made, and an information shall not be filed or received, under these Rules on the ground that the horses were not started in accordance this Rule.
- (5) The Starter's decision as to whether or not a proper start has been effected and to any other matter in connection with the start shall be final and shall not be subject to appeal, including where the Starter has by his actions declared a Race to be a false start.
- (6) Except as provided in Rules 628(1) and 631(4), where:
- (a) the horses are started in front of the starting post;
- (b) the Race is run over the wrong distance, on a wrong course or before the appointed time; or
- (c) any horse or horses is prevented by mechanical failure of the starting stalls from participating in the Race,
- the Adjudicative Committee shall have an absolute discretion to determine whether the Race shall be deemed to have been run or to be void, provided, however, that in exercising such discretion the Adjudicative Committee shall have regard to:
- (d) the degree of variation from the advertised length of the Race; and
- (e) the interests of the public who have invested on that Race.

In any case where the Race has been declared void the horses may be started again as soon as practicable. The decision of the Adjudicative Committee on any such matter shall be final and shall not be subject to appeal.

- (7) In the case of a horse which has behaved in an unruly or fractious manner prior to the start of or during a Race the Stipendiary Stewards may ban such horse from being entered for or started in a Race until the horse or its Trainer has complied with such conditions as the Stipendiary Stewards specify.
 - (8) If any horse starts from an incorrect stall position, the Adjudicative Committee shall have the discretion to confirm the Official Result of Placings, declare the race to be void or declare any horse in the Race to be a non-starter. [Added 1 May 2015]
- 632
- (1) If, in the opinion of the Adjudicative Committee, a horse which does not finish in the first four placings was prevented from taking an effective part in a Race owing to the mechanical failure of starting stalls, or is denied a fair start and such occurrence materially prejudiced the chances of that horse (but not where the horse is slow away by its own accord), the Adjudicative Committee may declare such horse to be a non-starter. [Amended 1 September 2020]
 - (2) If, in the opinion of the Adjudicative Committee, any horse gained an unfair advantage by its barrier stall malfunctioning and opening, or being forced, by such horse, open prior to the starter effecting a start, such horse may be declared a non-starter. [Added 15 April 2016]

Any subsequent removal or alteration of any flag, post, drum or boundary mark indicating the course and any new flag, post, drum or boundary mark shall not, unless explained, indicated or pointed out to all Riders by a Stipendiary Steward or other Official of the Race Meeting, have any effect for any purpose in connection with the course;
- (b) if a horse misses a jump its Rider shall not proceed in the Race until the horse has negotiated the jump;
- (c) if a horse and/or Rider falls or gets away from its Rider after a race has started, that horse shall take no further part in the race. [Amended 1 September 2020];

- (2) In a Race for which photo finish apparatus is operational, the Judge shall, after the last of the placed horses has passed the winning post, call for and inspect the photograph or photographs of the finish of such Race with a view to arriving at or checking his decision.
- (3) Immediately after the Race or as soon as possible when use is made of the photograph of the finish the Judge must place and name all horses finishing in a stake bearing place and the placing immediately following the stake-bearing placings, or such further number as a Stipendiary Steward may require, and record the distances between such placed horses. The Judge shall sign the report specifying the stake bearing placings and the placing immediately following the stake-bearing placings, or such other placings in accordance with this sub-Rule

(3) and shall have it promptly delivered to the Clerk of Scales. The signing of such report by the Judge shall deem it to be the Judge's Report.

- (4) As soon as possible after signing the Judge's Report, the Judge must prepare a complete placing report for all horses in a Race, specifying the place and name of all horses finishing, their times and the distances between such horses. Once completed, this report is to be promptly delivered to NZTR.
 - (5) The decision of the Judge of the order in which the horses have reached the winning post shall be final and shall not be subject to appeal. The Judge, himself, may correct a mistake, provided that a correction made after the declaration of the Official Result of Placings shall not in any way affect the Official Result of Placings.
- 642 (1) If a placed horse or its Rider causes interference within the meaning of this Rule 642 to another placed horse, and the Adjudicative Committee is of the opinion that the horse so interfered with would have finished ahead of the first mentioned horse had such interference not occurred, they may place the first mentioned horse immediately after the horse interfered with.
- (2) For the purposes of Rules 637 and 642:
- (a) **placed horse** shall be a horse placed by the Judge in accordance with Rule 641(3); and
 - (b) **interference** is defined as:
 - (i) a horse crossing another horse without being at least its own length and one other clear length in front of such other horse at the time of crossing;
 - (ii) a horse jostling with another horse, unless it is proved that such jostling was caused by the fault of some other horse or Rider or that the horse or Rider jostled with was partly at fault; or
 - (iii) a horse itself, or its Rider, in any way interfering with another horse or the Rider of another horse in a Race, unless it is proved that such interference was caused by the fault of some other horse or Rider or that the horse or Rider interfered with was partly at fault.
- 643 (1) If a Race is run by all the horses at wrong weights or if the Judge or his substitute or assistant or a Stipendiary Steward is not in the Judge's box when the placed horses or any of them pass the winning post, or all of the placed horses are disqualified, the Race may be declared void by the Adjudicative Committee who may direct the Race to be run again as soon as practicable.
- (2) The decision of the Adjudicative Committee on any of the matters mentioned in the last preceding sub-Rule shall be final and shall not be subject to any appeal.
- 644 A Jumping Race shall not exceed twenty minutes in duration. After the expiration of twenty minutes from the start of the Jumping Race, the Judge shall leave his box, and declare the relevant placings, and a horse which subsequently passes the winning post shall not be placed.

DEAD-HEATS

- 645 (1) If a dead-heat is run in a Race by two or more horses, the Owners or lessees (as the case may be) of such horses shall divide equally all the moneys or other prizes which any of them would have received if there had not been a dead-heat.
- (2) If the Owners or lessees (as the case may be) cannot agree as to which of them shall take a cup or other prize which cannot be divided, the question shall be determined by lot by NZTR who, in such cases, shall decide what sum of money shall be paid to the other Owner or lessee or Owners or lessees by the Owner or lessee who takes such cup or other indivisible prize.
- (3) In the case of a dead-heat for first place, each horse so dead-heating shall for the purposes of the classification of horses or Races or for liability to re-handicapping be regarded as having won the Race and as having had credited to it the actual amount in money paid in the aggregate to the Owner or lessee (as the case may be), Trainer and Rider of that horse (disregarding any deductions made therefrom by the Club for nomination, acceptance or other similar fees and goods and services tax).

WALK OVER

- 646 (1) Where only one horse weighs out for a Race, it must proceed to the starting post and shall then be deemed to have walked over.
- (2) Where only one horse weighs out in a Race in which a sum of money is given only one-half of the amount which by the conditions of the Race was payable to the winner shall be paid.
- (3) If two or more horses are weighed out but a horse is not placed in second or in any lower place, the money or prize provided by the conditions of the Race for the second or lower placed horse shall be retained by the Club.
- (4) A horse who walks over for a Race shall for the purposes of the classification of horses or Races or for liability to re-handicapping be regarded as having won the Race and as having had credited to it the actual amount in money paid in the aggregate to the Owner or lessee (as the case may be), Trainer and Rider of that horse (disregarding any deductions made by the Club for nomination, acceptance or other similar fees and goods and services tax).

WEIGHING-IN

- 647 (1) All Riders in a Race shall weigh-in, unless excused from doing so by a Stipendiary Steward. A horse whose Rider does not weigh in shall, in addition to any other penalty which may be imposed, be disqualified from the Race, unless the Stipendiary Stewards are satisfied that the:
- (a) Rider's failure to weigh-in, in accordance with this Rule, was justified by extraordinary circumstances, including if the Stipendiary Stewards are satisfied that, on account of accident or sudden illness, it is impracticable for him to weigh in; and
- (b) Rider weighed out correctly with, and carried, his proper weight.
- (2) The Clerk of the Scales shall record the exact time the last Rider, required by the Stipendiary Stewards to be weighed in, is so weighed in.
- 648 (1) A muzzle, martingale, breastplate, crupper, suspender or clothing of the horse (other than the articles mentioned in Rule 619(b) hereof) in which a horse runs, shall be put into the scales and included in the Rider's weight.
- (2) If a horse is led away from the scales before the Rider's weight has been declared by the Clerk of the Scales, no article shall thereafter be taken off such horse for the purpose of being weighed with the Rider whether or not he may be the proper weight without it.
- (3) If, on being weighed in, a Rider cannot draw the proper weight (meaning thereby the weight allotted by the Handicapper for his horse to carry and adjusted only by any re-handicap, by having been declared overweight, by penalty or by authorised allowance) the Clerk of the Scales shall allow such rider 0.5 kg and if the allowance is not sufficient to enable the proper weight to be drawn then subject to sub-Rule (4) of this Rule then in addition to any other penalty which may be imposed the horse shall be disqualified for the Race.
- (4) A horse carrying more than its proper weight or weight in excess of that at which the Rider weighed out shall not be disqualified by reason of that fact alone.
- (5) If the Rider of a horse weighs in at a weight of 0.5kg or more in excess of that at which he weighed out: [Amended 1 May 2015]
- (a) that Rider; and
- (b) any other person who a Tribunal conducting an inquiry finds was at fault, commits a breach of these Rules.
- 649 (1) A Rider must not:
- (a) do or permit any wrongful act or omission with respect to weight or weighing; or
- (b) touch (other than accidentally) another person or any thing other than an article of his own equipment before weighing in provided, however, that a Stipendiary Steward may waive a breach of this sub-Rule if, in his opinion, the integrity of the weighing-in process has not been prejudiced by such action.
- (2) In the event of a Rider acting in contravention of Rule 649(1)(b), his horse may be disqualified for the Race concerned, irrespective of whether or not any penalty is imposed on the Rider for the breach, provided however that the Adjudicative Committee may in its discretion waive the

disqualification of the horse if it is satisfied that the breach committed by the Rider was in no way related to the horse.

- (3) A Rider must not weigh-in at a weight that exceeds or is less than the proper weight as is defined in and with the allowance permitted by Rule 648(3).
- (4) An Owner or lessee (as the case may be), Trainer or other person for the time being in charge of a horse must not:
 - (a) do or permit any wrongful act or omission with respect to weight or weighing; or
 - (b) after the horse's Rider has weighed out and before the horse races, remove or add any article of wearing apparel or riding or other gear with which the Rider did or did not weigh out as the case may be.

- (6) Where a horse could potentially hold future engagements to race or trial, the Trainer and/or Owner or lessee (as the case may be) or any other person in charge of the horse shall, as soon as practicable, report to the Stipendiary Stewards any surgeries undergone by, or significant treatments administered to, the horse not previously notified. The kinds of surgeries and significant treatments covered by this rule are those prescribed by NZTR and published from time to time, and include mandatory reporting of:

 - b) A horse is required to have a long period of rest to heal an injury sustained in a race or during training, eg tendon/ligament strain.
 - c) Lameness or musculoskeletal inflammation/pain.

- d) Injury to any part of the body which could potentially adversely impact on the horse's performance or constitute a welfare or public perception issue on race day or have resulted in an interrupted preparation.
 - e) Any condition or occurrence that has resulted in a horse missing consecutive days of normal exercise, or that has sufficiently interrupted and thus adversely impacted a horse's preparation for its next race. [Amended 1 September 2020]
- 651 (1) An attack of nasal bleeding shall be the appearance of blood at one or both nostrils, irrespective of quantity, unless in the opinion of the Stipendiary Stewards such bleeding was caused by external trauma.
- (2) If a horse suffers an attack of nasal bleeding at any time the Trainer of the horse shall report the fact of such bleeding to a Stipendiary Steward without delay and shall subsequently supply that Stipendiary Steward with any further information in relation to such attack which he may require.

- (a) be ridden in exercise for a period of two months from the date of the attack [Amended 1 July 2021];

 - (d) the Racing Integrity Board and the Adjudicative Committee,
 be paid by such person or body as it thinks fit. Such amount if unpaid for 28 days shall be deemed Arrears and may be placed on the Arrears List. The Adjudicative Committee may in addition to or substitution of any other order or penalty, order that a Rider's riding fee or any part thereof be paid to the Rider or such other person as it thinks fit or be repaid to the Owner or lessee (as the case may be).
 - (4) The decision of the Adjudicative Committee shall:
 - (a) be committed to writing and signed by the Chairman;
 - (b) state the specific Rule or Rules under which any person or horse is penalised; and
 - (c) if it involves any penalty, be communicated to each person penalised and NZTR as soon as practicable and published by the Racing Integrity Board on its website, unless the Chairman of the Adjudicative Committee otherwise directs.
 - (5) The Adjudicative Committee may, if it thinks fit, reserve its decision and in that case may give it at any adjourned or subsequent sitting of the Adjudicative Committee or may draw up its decision in writing and have it signed by the Chairman. Nothing in this Rule shall authorise an adjournment in breach of Rule 915(2).

- (6) The written decision shall be delivered in such manner as the Chairman directs or, failing any such direction, as he thinks fit.
 - (7) When a Adjudicative Committee disqualifies a horse which started in a Race and was placed by the Judge in a stake bearing place in the Judge's Report, or places such a horse after a horse or horses with the chances of which the first-mentioned horse interfered, it shall amend the placings of that horse and those which finished behind it and, if the stakes have not already been paid or handed over, direct that they be paid or handed over in accordance with the amended placings. If the stakes have already been paid or handed over before a horse is disqualified the position shall be governed by Rule 909 of these Rules.
 - (8) Subject to Rule 703, where the Official Result of Placings has not been declared for a Race and when on the determination of an information the Adjudicative Committee amends the placing of any horse in a stake-bearing place, the Adjudicative Committee shall order the Stipendiary Steward to counter-sign the Judge's Report and declare the Official Result of Placings in accord with its decision, and that shall be deemed to be the Official Result of Placings for the purpose of Rule 703.
 - (9) Where any person has pursuant to Rule 918 lodged a filing fee the Adjudicative Committee may order that such fee be returned or refunded to such person. Where the Adjudicative Committee refuses or fails to make such order, the filing fee lodged shall forfeit to NZTR.
- 921
- (1) Subject to any right of appeal pursuant to these Rules the decision of the Adjudicative Committee shall bind all bodies and persons.
 - (2) Every body which and person who is affected by such decision shall forthwith do all that it is necessary for it or him to do for the purpose of giving full effect to such decision.
 - (3) A person who or body which wilfully fails forthwith to do all that it is necessary for him or it to do for the purpose of giving full effect to a decision of a Tribunal commits a breach of these Rules and, in addition to being liable to the penalty which may be imposed for that breach under any other Rule shall, unless the Tribunal determines otherwise, be disqualified for life. Such disqualification shall be notified in the List of Disqualifications.
 - (4) It shall be the duty of all bodies or persons subject to these Rules to investigate and report to the Board upon all matters which a Adjudicative Committee indicates in its decision are proper subjects for investigation by any such body or person.
 - (5) Any stakes already paid or prize awarded in respect of a disqualified horse shall if directed by the Adjudicative Committee be repaid to NZTR, on behalf of the Club, or returned to the Club (as applicable) immediately. Where any stake has been paid or handed over, NZTR, on behalf of the Club, shall not be responsible for the payment thereof and/or the handing over of any stake or prize to the person ultimately found to be entitled thereto unless it recovers the stake or prize from the person to whom the same was paid and/or handed over.
 - (6) A person who fails to repay and/or return the stake shall be placed on the Arrears List for the amount unpaid and/or the value of any prize not returned. NZTR, on behalf of a Club, may commence and continue in any Court of competent jurisdiction an action for the return of the stake which has been paid or handed over to any person who is, as a result of a decision of the Adjudicative Committee, not entitled thereto.

POWER TO AMEND DEFECTIVE DECISIONS

- 922
- (1) If, after a breach of these Rules has been found proved, the Adjudicative Committee imposes a penalty or makes an order that it was not within the jurisdiction of the Adjudicative Committee to impose or make, or does not impose a penalty or make an order that it was required by these Rules to impose or make, then, at any time thereafter, unless an appeal in relation to the finding is pending before the Appeals Tribunal, the Adjudicative Committee may set aside any penalty or order imposed or made and impose a penalty and make any order that it is within the jurisdiction of the Adjudicative Committee or that the Adjudicative Committee is required by these Rules to impose or make.
 - (2) Except to the extent that they are amended in accordance with these Rules before a Stipendiary Steward declares the Official Result of Placings, the Judge's placings shall, for all purposes relating to Judge's Report and the Official Result of Placings, be deemed to be final.

- 923 (1) Subject to sub-Rule (3) of this Rule, an Adjudicative Committee may rehear any proceeding already determined by an Adjudicative Committee if:
- (a) an Adjudicative Committee in its decision at the original hearing:
 - (i) found, or did not find, a breach of these Rules proved;
 - (ii) made an order or declined to make an order; or
 - (iii) imposed any penalty and/or awarded any costs or declined to impose any penalty and/or award costs;
 - (b) not later than the time prescribed in sub-Rule (2) of this Rule any party to the proceeding files with the Chairman of an Adjudicative Committee a written application for a rehearing; and
 - (c) that Adjudicative Committee is satisfied that a miscarriage of justice might otherwise result because of:
 - (i) a material mistake or omission in the conduct of the original hearing;
 - (ii) a material mistake or omission in the determination of the proceeding;
 - (iii) a material mistake or omission in the presentation of evidence and/or submissions at the original hearing; or
 - (iv) any other similar reason.
- (2) A person who wishes to apply to the Adjudicative Committee for a rehearing of any proceeding must file a written application setting out the grounds on which a rehearing is sought with the Chairman of the Adjudicative Committee not later than:
- (a) thirty minutes after the last Race or fifteen minutes after the last proceeding is heard, whichever is later, on the day of the Race Meeting at which the proceeding for which a rehearing is sought was determined, if the proceeding was determined during a Race Meeting; or
 - (b) 24 hours after the proceeding was determined, if the proceeding was determined otherwise than during a Race Meeting.
- (3) On receipt of the written application filed pursuant to sub-Rule (2) of this Rule an Adjudicative Committee shall determine whether to rehear the proceeding. An Adjudicative Committee shall not rehear any proceeding if:
- (a) the proceeding was heard during a Race Meeting and the issue to be determined concerned whether or not to disqualify or relegate a horse on account of something that happened during the running of a Race;
 - (b) the proceeding was one to which Rule 642 of these Rules apply; or
 - (c) the proceeding concerned any matter of fact in connection with weighing, a start in front of the post or on the wrong course, or before the appointed time, or in connection with the running of a Race over the wrong distance.
- 924 A decision of an Adjudicative Committee to or not to rehear any proceeding shall be final and shall not be subject to appeal.
- 925 (1) A rehearing shall be heard and determined by the same Adjudicative Committee, unless the Chairman of the Racing Integrity Board directs otherwise.
- (2) The Adjudicative Committee shall conduct any rehearing as it thinks fit and the provision of these Rules governing the conduct of hearings shall apply (with any necessary modification) as if the rehearing were an original hearing.
- (3) At any rehearing the Adjudicative Committee may:
- (a) confirm, set aside, or amend the finding, order or decision made at the original hearing; or

- (b) substitute in place of the finding, order or decision made at the original hearing any other finding, order or decision (including a decision imposing a penalty and/or costs) permitted by these Rules in respect of the particular proceeding.
- (4) The application for rehearing shall not operate as a stay of proceedings unless the Adjudicative Committee so orders.

MINOR INFRINGEMENT SYSTEM

- (a) admits in writing he has committed a breach of one or more of the Rules set out in the Fourth Appendix; and
 - (b) accepts in writing the penalty imposed, being a fine in the amount specified for the relevant Rule in the Fourth Appendix,

without the requirement for an information to be filed or for proceedings to be heard and a decision to be made by the Adjudicative Committee, provided that such breach is only the first or second breach of that Rule committed by that Licensed Person in the period of 120 days immediately preceding and including the date the breach is committed. Such Licensed Person shall be deemed to have committed a breach of that Rule and such breach shall be treated upon the approving and signing of the notice by the Chair of the Adjudicative Committee at that Race Meeting, as if an Adjudicative Committee had considered an information and made a decision to that effect, except that there shall be no right to appeal the imposition of the fine to the Appeals Tribunal.
- (2) Where a Stipendiary Steward or Investigator considers that a Licensed Person's first or second breach of one or more of the Rules set out in the Fourth Appendix is of such significance that a more substantial penalty than the amount of the fine specified for the relevant Rule in the Fourth Appendix is warranted for that breach, then despite sub- Rule (1) above, the Stipendiary Steward or Investigator may proceed by filing an information with the Adjudicative Committee in respect of that breach in the normal manner contemplated in Rule 903.
- (3) Where the Licensed Person:
- (a) admits in writing that he has committed a breach of the particular Rule but does not accept the penalty imposed;
 - (b) does not admit that he has committed a breach of the particular Rule; or
 - (c) who is alleged to have committed a breach has already committed two or more breaches of that Rule in the period of 120 days immediately preceding and including the date the breach is committed, then the Stipendiary Steward or Investigator shall proceed by filing an information with the Adjudicative Committee in respect of that breach in the normal manner contemplated in Rule 903.
- (4) The penalty imposed by an Adjudicative Committee in accordance with sub-Rule (1) above shall be a fine of the amount(s) specified for the first or second offence of the applicable Rule(s) in the Fourth Appendix. [Amended 1 September 2020]

DISQUALIFICATIONS

- 1101 (1) Each disqualification imposed under these Rules will take effect immediately, unless the Tribunal imposing the disqualification specifies a later date on which the disqualification will take effect.
- (2) For the avoidance of doubt, from the date such disqualification takes effect until such time as a person's and/or a horse's name appears in the List of Disqualifications that person and/or horse shall be subject to the same disabilities affecting persons and horses whose names then currently appear in the List of Disqualifications.
- 1102 If a horse placed by a Judge in a Race is disqualified pursuant to these Rules after running that Race, then for the purposes of placings it shall be regarded as if it did not start the Race and the placings will be altered accordingly.
- 1103 (1) A List of Disqualifications, which shall have effect throughout New Zealand, shall be kept and, from time to time, may be published by NZTR. It shall include details of each disqualification notified to NZTR by a Tribunal.
- (2) Where a person is disqualified pursuant to these Rules, the List of Disqualifications shall include the names of:
- (a) all horses of which such person was the Owner or had a leasehold interest on the date such disqualification takes effect or such other date specified by the Tribunal, which may be either the day when the breach of these Rules was committed for which such person was disqualified or any date later than that day;
- (b) all horses of which such disqualified person has become the Owner or in which he has acquired any interest (including a leasehold interest) since the date so named; and
- (c) all horses in which such disqualified person acquires any interest during the term of his disqualification or which at any time during that term are under his management, care, control or superintendence.
- (3) The entry of a horse's name in the List of Disqualifications shall operate as a disqualification of such horse for the term of such person's Disqualification and any horse which could be so named on the List of Disqualifications shall be deemed to have been named and disqualified on the same basis.
- 1104 (1) A person who is disqualified in accordance with this Part XI, or whose name appears in the list of disqualifications of Another Racing Authority shall not during the period of that disqualification:
- (a) enter or run any horse for any Race, either in his own name or in that of any other person and subject to Rule 525(7), every entry theretofore made by him or of a horse in which he has any interest for a Race to be run shall be void as from the date of disqualification; [Amended 1 September 2020]

- (3) A person who contravenes this Rule shall, in addition to any other penalty which may be imposed under any of these Rules, be disqualified for an additional period of not less than six months to commence at the end of the period of the current disqualification. For every second or subsequent breach he shall, in addition to any other such penalty, be disqualified for a period of not less than 12 months to commence at the expiry of the immediately previous period of disqualification.

1105 An entry may only be removed from the List of Disqualifications:

- (b) on the direction of a Tribunal who approved or imposed the disqualification.

1105A (1) Notwithstanding anything else in these Rules, a person who is subject to any prohibition or disability under these Rules solely because they have been suspended or disqualified by Another Racing Authority, may apply to NZTR for the non-recognition of that penalty.

- (2) On receiving such an application, NZTR shall seek comment from the relevant Racing Authority before making a decision.
- (3) If NZTR is satisfied, in its absolute discretion, that the disqualification or suspension by Another Racing Authority was not procedurally fair, it may declare that the disqualification or suspension will not be reciprocated in New Zealand. To avoid doubt, NZTR may not make such a declaration for any reason other than that the disqualification or suspension was not procedurally fair.
- (4) Notwithstanding anything else in these Rules, if such a declaration is made, the applicant must be treated, for the purposes of these Rules, as though they had not been disqualified or suspended by Another Racing Authority. *[Inserted 1 April 2019]*

- (a) if the person holds a Trainer's Licence, train a horse or, without the prior written consent of NZTR, be employed or work or assist in any capacity in connection with the care, control, training or riding of a horse; and/or
 - (b) if the person holds a Rider's Licence, ride any horse in any Race or enter the jockey's room or weighing room on any Racecourse on any Race day. Provided however that where the person so suspended was the holder at the time of his suspension of both a Trainer's Licence and a Rider's Licence and the suspension relates to the Rider's Licence only, then such person may train any horse and, with the prior consent of the Adjudicative Committee for a particular Race Meeting (which may be revoked at any time) and for the purposes only of carrying out his work as a Trainer, may enter the weighing room on the relevant Racecourse on any day of such Race Meeting.
- (2) Each suspension of a Rider or Rider's Licence which is imposed under these Rules by the Adjudicative Committee during any day of a Race Meeting shall take effect as follows:
- (a) if, at the time the suspension is imposed, the Rider has no engagements to ride a horse in a Race during the next seven day period after that Race day, from the completion of that Rider's engagements on that Race day; or
 - (b) if, at the time the suspension is imposed, the Rider is engaged to ride a horse or horses in a Race(s) during the next seven day period after that Race day, then from the earlier of:
 - (i) the completion of such engagements within that seven day period; or
 - (ii) the completion of that seven day period.

- (3) Each suspension of a Rider or Rider's Licence which is imposed under these Rules by an Adjudicative Committee otherwise than during any day of a Race Meeting shall take effect as follows:

- (a) if, at the time the suspension is imposed, the Rider has no engagements to ride a horse in a Race during the next seven day period after that day, from the day the suspension is imposed; or
 - (b) if, at the time the suspension is imposed, the Rider is engaged to ride a horse or horses in a Race(s) during the next seven day period after that day, then from the earlier of:
 - (i) the completion of such engagements within that seven day period; or
 - (ii) the completion of that seven day period.
 - (4) Each suspension of a Trainer or a Trainer's Licence shall, unless the Tribunal imposing the suspension otherwise directs, take effect immediately.
 - (5) Until 1 July 2022, and despite anything in Rules 1106(2) or (3), an Adjudicative Committee may, if it is submitted by a stipendiary steward, and if satisfied in the Committee's absolute discretion that it is appropriate to do so to ensure that sufficient Riders are available to ride in races, determine a date other than the date specified in Rules 1106(2) and (3) on which a suspension of a Rider's licence shall take effect, and the suspension of the Rider's licence shall take effect from that date. *[Inserted 8 April 2022]*
- 1107 A person who is suspended by Another Racing Authority or who appears in the list of suspensions of Another Racing Authority shall be deemed to be suspended in New Zealand and Rule 1106 shall apply with all necessary modifications.

STAY OF DECISION

- 1108 The filing of a Notice of Appeal shall not operate as a stay of the decision or of any disqualification or suspension appealed against unless, on a written application made to it, the Appeals Tribunal or its Chairman otherwise directs.

PART XII

ARREARS

GENERAL

- 1201 An Arrears List shall be kept and, from time to time, published in whole or in part by NZTR. It shall include all Arrears, within the meaning of these Rules, that have been duly notified to NZTR for that purpose. Every entry in the Arrears List shall state:
- (a) the date on which such entry was made;
 - (b) the amount of Arrears and the body or person to whom the Arrears are owing and payable; and
 - (c) unless NZTR considers the circumstances do not warrant it, the name of the body or person who is in Arrears and the name of the horse (if any) in respect of which such Arrears are payable. In the case of a Legal Ownership Entity, NZTR may choose to name solely the Racing Manager.
- 1202 Where a Club or a person (other than NZTR, or the General Trustees, or the Trustees of the Apprentice Jockeys' Fund) notifies NZTR of any Arrears, then that person or Club undertakes to hold harmless and keep indemnified NZTR, and any person acting under its direction (including all persons concerned in printing and publishing the Arrears List or any official publication in which the Arrears List appears) from all damages and consequences which he, it, or any such person acting under that person's direction may sustain by reason of such notification and until such security (by approved bond or otherwise) as NZTR may require is given in respect of such undertaking.
- 1203 (1) From the date a person's name appears on the Arrears List, or in any official arrears list published by Another Racing Authority:
- (a) a horse in which such person has an interest, or NZTR reasonably considers to be under that person's care, training, management, control or superintendence shall not be eligible to be entered in or start in any Race, unless NZTR approves otherwise in writing;
 - (b) such person shall not enter or start a horse in a Race or trial, (including a jump-out or test for certification purposes); and
 - (c) such person shall not enter or go upon a Racecourse or a Training Facility. Any person who acts in contravention of this paragraph (c) shall be removed from such facility by NZTR and commits a Serious Racing Offence.
- (2) From the date a horse's name appears in the Arrears List it shall, during the period it is listed, be prohibited from being entered for or being started in a Race and from being taken for any purposes to a Racecourse or into any other place controlled by a Club or any consortium or other entity of which a Club is a member or in which it is a participant. Any person who acts in contravention of this sub-Rule (2) commits a Serious Racing Offence, and the horse involved shall be, in addition to any other penalty which may be imposed, disqualified for the Race.
- 1204 (1) Arrears entered in the Arrears List shall be payable and paid to NZTR. On receipt of full and final settlement of the Arrears, NZTR shall:
- (a) if applicable, distribute the relevant amount of monies owing to the named entitled persons or bodies; and
 - (b) remove the entry of such Arrears, and the name of the person(s) and/or horse(s) to whom the Arrears relate, from the Arrears List.
- (2) Arrears may also be removed from the Arrears List by NZTR:
- (a) if it is satisfied that the person named as owing the Arrears has been placed into bankruptcy or the no asset procedure, since that person's name was entered in the Arrears List;
 - (b) if directed to do so by the Board, provided that such Arrears have appeared in the Arrears List for a period of six years or more; and

- (c) if requested, in writing, by the body or person to whom any Arrears entered in the Arrears List are due.
- (3) Where a person is prevented by virtue of Rule 1203 from entering a horse for or starting it in a Race because of the non-payment of Arrears in respect of that horse which he is not personally liable to pay he may pay the Arrears to NZTR who shall remove the name of the horse from the Arrears List and the horse shall then be eligible to be entered for and started in a Race if no other Arrears in respect of that horse are in the meantime entered in the Arrears List and the horse is otherwise eligible. The name of the person who was liable to make such payment may, in NZTR's discretion, be retained in the Arrears List in respect of the amount so paid as Arrears due to the person so paying. Notwithstanding anything to the contrary in these Rules if any person, in bona fide ignorance of a horse's name being in the Arrears List, enters a horse for a Race such entry shall be deemed to be and always to have been valid if such person, on becoming aware that such horse's name is in the Arrears List and before the Race, pays to NZTR all Arrears in respect of which the entry in the Arrears List was made.
- (4) Where Arrears are removed from the Arrears List pursuant to this Rule, a letter from NZTR as to the date of removal shall be conclusive evidence of the date of removal of such Arrears.
- (5) Save as provided in this Rule, Arrears shall not be removed from the Arrears List.

1402 (1) Each person to whom this Rule applies in respect of a horse must take all reasonable steps to ensure that the physical, health, and behavioural needs of the horse are met in a manner that is in accordance with both:

- (a) good practice; and
- (b) scientific knowledge.

(2) Without limiting sub-Rule (1) of this Rule, each person to whom this Rule applies in respect of a horse must ensure that the horse receives, as soon as is reasonably practicable, husbandry or treatment that alleviates any deficiencies in nutrition or provisions or unreasonable or unnecessary pain or distress being suffered by the horse.

(3) Each person to whom this Rule applies in respect of a horse must ensure that the horse is not euthanised in a manner that causes the horse unreasonable or unnecessary pain or distress.

(4) No person to whom this Rule applies in respect of a horse may:

- (a) keep the horse alive when it is in such a condition that it is suffering unreasonable or unnecessary pain or distress; or
- (b) sell, transfer, lease or otherwise dispose of, attempt to sell, transfer, lease or otherwise dispose of, or offer for sale, transfer, lease or other disposal, otherwise than for the express purpose of being killed, the horse when it is suffering unreasonable or unnecessary pain or distress.

(5) No person to whom this Rule applies in respect of a horse may desert the horse in circumstances in which no provision is made to meet its physical, health, and behavioural needs.

(6) (a) Except to the extent permitted under Animal Welfare Regulations (Ministry for Primary Industries), no person to whom this Rule applies in respect of a horse may perform any surgical procedure on the horse unless that person is:

- (i) a veterinarian; or
- (ii) a person who is acting under the direct supervision of a veterinarian and who is a student undergoing his or her training to become a veterinarian.

(b) No person to whom this Rule applies in respect of a horse may, in performing on the horse a surgical procedure, perform that surgical procedure in such a manner that the horse suffers unreasonable or unnecessary pain or distress.

(7) (a) Each person to whom this Rule applies in respect of a horse must, where the horse is being transported in or on a vehicle, aircraft, or ship, ensure:

- (i) that the welfare of the horse is properly attended to; and
- (ii) that, in particular, the horse:
 - (A) is provided with reasonably comfortable and secure accommodation; and
 - (B) is supplied with proper and sufficient food and water.

- (b) No person to whom this Rule applies in respect of a horse may confine or transport the horse, or permit the horse to be confined or transported, in a manner or position that causes the animal unreasonable or unnecessary pain or distress.
 - (c) No person to whom this Rule applies in respect of a horse may permit the horse:
 - (i) to be driven or led on a road; or

- (8) For the purpose of Rule 801(t), any breach of this Rule 1402 is deemed to be a Serious Racing Offence.
- (9) Notwithstanding Rule 808, in a proceeding in respect of an alleged breach of Rule 1402, it shall not be necessary for the informant to prove that the person charged intended to commit the breach.
- (10) In a proceeding in respect of an alleged breach of Rule 1402, evidence that the minimum standard established by the Welfare Guidelines was not complied with is *prima facie* evidence that the person charged with the breach failed to comply with, or contravened, Rule 1402.

- 1408 A Thoroughbred Welfare Compliance Notice may:
- (a) require the person to, or to procure another person to, cease acting in a manner that NZTR has reasonable cause to suspect contravenes or is likely to contravene, or to do some act or other thing that NZTR reasonably believes is necessary to ensure that the person complies with, Part XIV of the Rules; or

 - (e) the conditions, if any, imposed by NZTR;
 - (f) the consequences of not complying with the Notice; and
 - (g) the right to request a reconsideration of the issue of the Notice in Rule 1412.
- 1410 NZTR must ensure that the Thoroughbred Welfare Compliance Notice is served on the person to whom it is issued within seven days of issue, with a copy sent to every other person that is, to NZTR's knowledge, directly affected by the Notice (including, but not limited to, any Accountable Person, Racing Manager, Owner(s), Lessee(s) and Trainer of any horse in the care or control or under the supervision of the person to whom the Notice was issued, as recorded in NZTR's records).
- 1411 The person to whom a Thoroughbred Welfare Compliance Notice is issued must:
- (a) comply with the Notice within the period stated in the Notice, if any; and
 - (b) unless the Notice directs otherwise, pay all the costs and expenses of complying with the Notice.
- 1412 (1) If NZTR receives a written application from:
- (a) the person to whom a Thoroughbred Welfare Compliance Notice was issued; or
 - (b) any other person with a direct interest in any horse,
- to withdraw, cancel or amend the terms of the Notice, NZTR:
- (c) must consider the application as soon as is reasonably practicable and in any event within 10 days after the date on which the application is received, having regard to:
 - (i) the purpose for which the Notice was issued;

- (ii) the effect of the withdrawal, cancellation or amendment on the welfare of any relevant horse or horses; and

 - (b) must give the person to whom the Notice was issued and every other person to which a copy of the Notice was sent under Rule 1410 written notice of such withdrawal, cancellation or amendment.
- (3) An application under sub-Rule (1) of this Rule does not operate as a stay of the relevant Thoroughbred Welfare Compliance Notice.

1413 For the purpose of Rule 801(t), a failure to comply with any requirement made or prohibition imposed pursuant to a Thoroughbred Welfare Compliance Notice without reasonable excuse is deemed to be a Serious Racing Offence.

THOROUGHBRED WELFARE POSSESSION ORDERS

1414 NZTR may issue a temporary or permanent Thoroughbred Welfare Possession Order in respect of a horse or horses to a person to whom the Rules apply in accordance with Rules 1414 to 1429.

1415 NZTR may issue a temporary Thoroughbred Welfare Possession Order on the joint direction of the Chief Executive Officer and the Chief Executive Officer (however described) of the Racing Integrity Board, which direction must be accompanied by a recommendation from an Investigator and a Veterinarian that such an Order be issued on the grounds that in their opinion:

- (a) the person has failed to comply with any requirement made or prohibition imposed under a Thoroughbred Welfare Compliance Notice issued under Rule 1407; or
- (b) there are reasonable grounds for believing that the person in respect of whom the Order is sought, has been acting in contravention of Rules 1401 to 1405 or is likely to do so,

and in each case NZTR believes in its discretion that the issue of the Thoroughbred Welfare Compliance Notice is reasonably necessary or desirable in order to address the situation.

1416 NZTR may, under the authority and pursuant to the terms of a temporary Thoroughbred Welfare Possession Order:

- (a) enter onto any property or premises and seize the horse or horses to which the Order applies in the possession or custody, or under the care, control, or supervision of, the person to whom the Order was issued;
- (b) convey any such horse or horses to another property, and maintain possession of the horse(s) or place the horse(s) with another person; and
- (c) take any other steps that NZTR considers reasonably necessary or desirable to prevent or mitigate any suffering of any horse.

1417 A temporary Thoroughbred Welfare Possession Order must state:

- (a) the name of the person to whom it is issued;
- (b) the reasons why NZTR issued it;
- (c) the consequences of the Order; and
- (d) the rights of the person to whom it was issued to seek a hearing under Rule 1422.

1418 (1) NZTR must ensure that a temporary Thoroughbred Welfare Possession Order is served on the person to whom it is issued within seven days of the issue of the Order

- (2) A copy of the Order is to be sent to every other person that is, to NZTR's knowledge, directly affected by the Notice (including, but not limited to, any Accountable Person, Racing Manager, Owner(s), Lessee(s) and Trainer of the relevant horse(s) recorded in NZTR's records), and any person who to NZTR's knowledge holds a security interest in the horse.
- 1419 Without limiting the right to be heard under Rule 1422, where a temporary or permanent Thoroughbred Welfare Possession Order is made against a person, and that Order is served on that person, that person must not hinder or obstruct any action taken pursuant to the Order.
- 1420 (1) As soon as reasonably practicable and in any event within 10 days of the issue of a temporary Thoroughbred Welfare Possession Order, NZTR must ensure that the person to whom the Order was issued is served with notification (a **Proposal Notification**) as to:
- (a) whether NZTR proposes to:
 - (i) issue a permanent Thoroughbred Welfare Possession Order in substitution for the temporary Thoroughbred Welfare Possession Order; or
 - (ii) amend, withdraw or cancel the temporary Thoroughbred Welfare Possession Order; and
 - (b) whether such issue, amendment, withdrawal or cancellation is to be carried out subject to any terms or conditions.
- (2) Any such Proposal Notification must state the rights of the person to whom the Order was issued to seek a hearing under Rule 1422.
- (3) Such Proposal Notification may (but is not required to) accompany the temporary Thoroughbred Welfare Possession Order served under Rule 1418.
- (4) A copy of the Proposal Notification is to be sent to any other person to whom a copy of the Order was sent under Rule 1418.
- 1421 If NZTR gives a Proposal Notification, any of:
- (a) the person to whom a temporary Thoroughbred Welfare Possession Order is issued in respect of a horse; and
 - (b) any other person directly affected by the Order.
- may notify NZTR in writing (a **Hearing Notification**) by the date that is 28 days after the date the Proposal Notification was served on the person to whom the Order was issued (the **Hearing Notification Date**) that he wishes to be heard on the proposed actions set out in the Proposal Notification.
- 1422 NZTR must, as soon as is reasonably practicable and in any event within one week, hear any person who gives a Hearing Notification by the Hearing Notification Date under Rule 1421 as to the proposed actions set out in the Proposal Notification.
- 1423 If NZTR receives a Hearing Notification by the Hearing Notification Date, the temporary Thoroughbred Welfare Possession Order continues in force until NZTR hears the relevant person(s) and may be enforced in all respects as if no such hearing were pending.
- 1424 NZTR may:
- (a) if a Hearing Notification is received by the Hearing Notification Date, following the hearing referred to in Rule 1422; or
 - (b) if no Hearing Notification is received by the Hearing Notification Date, following the Hearing Notification Date,
- if it thinks fit:
- (c) issue a permanent Thoroughbred Welfare Possession Order in substitution for the temporary Thoroughbred Welfare Possession Order, subject to such terms or conditions (if any) as it sees fit; or

expenses described in Rule 1428 below and/or the issue of a Thoroughbred Welfare Compliance Notice to any person).

For the avoidance of doubt NZTR may withdraw or cancel a temporary Thoroughbred Welfare Possession Order at any time.

- 1425 Upon the issue of a permanent Thoroughbred Welfare Possession Order in respect of a horse, NZTR may, as it sees fit:
- (a) sell the horse (and for such purpose, where NZTR is aware that the horse is subject to a security interest, NZTR may permit the holder of the security interest to run the sale process);
 - (b) find a home for the horse; or
 - (c) euthanise or otherwise dispose of the horse in such manner as NZTR sees fit,
- and each person with legal and/or beneficial ownership of the horse is deemed to have consented to such action and (where applicable) to have irrevocably appointed NZTR as its agent for the purposes of carrying out such action.
- 1426 Where an animal is sold under Rule 1425(a), NZTR must pay the proceeds of sale (if any) (after deducting (in order) the reasonable costs of sale, any sums required to be paid to the holder of a security interest or any other person under a condition of the permanent Thoroughbred Welfare Possession Order, and any expenses described in Rule 1428 below) to the Owner(s) of the horse or such other person as NZTR directs.
- 1427 Upon the discharge of a temporary Thoroughbred Welfare Possession Order, NZTR will return the horse to its Owner(s) subject to the terms or conditions (if any) of such discharge.
- 1428 Any expenses reasonably incurred by NZTR as a result of the exercise of any of the powers conferred by these Rules 1414 to 1429, including any costs incurred by NZTR in caring for the horse, providing veterinary treatment to the horse or euthanising the horse, are recoverable from the Owner(s) of the horse or such other person as NZTR directs.

 - (c) in respect of a horse that has been de-registered from racing and breeding under these Rules, the Owner or, if the horse is leased, the lessee of the horse recorded in the register kept by NZTR in respect of the horse under Rule 410 as at the date of de-registration, subject to sub-Rule (3) below.
- (3) For the purposes of sub-Rules (2)(a)(ii), (b) and (c) above:
- (a) where there is more than one Owner or lessee (as applicable), the Accountable Person shall be the natural person recorded as the Owner or lessee (as applicable) in the relevant records with the largest ownership share, and if there are two such Owners or lessees, the person whose surname appears first in alphabetical order; and
 - (b) where the Owner or lessee is a syndicate, the Accountable Person shall be the natural person with the largest ownership share and if there are two such Owners or lessees,

the person whose surname appears first in alphabetical order within that syndicate. If the Owner or lessee is more than one syndicate, the Accountable Person shall be the natural person with the largest ownership share and if there are two such Owners or lessees, the person whose surname appears first in alphabetical order within NZTR's records in respect of the first-named syndicate.

1430 An Accountable Person must be a natural person who has attained the age of 18 years.

1431 (1) The Owner(s) or lessee(s) (as the case may be) of a horse may remove the Accountable Person for the horse and nominate a replacement Accountable Person at any time. Any such removal and new nomination must:

- (a) be in writing;
- (b) unless NZTR directs otherwise, be signed by persons holding at least a 51% interest as Owner or lessee (as the case may be) in such horse; and
- (c) be signed by the replacement Accountable Person or by a person who has been authorised to sign the notice on his behalf,

and shall not take effect until it has been notified to, and the appointment of the replacement Accountable Person has been approved by, NZTR.

- (2) If a lessee of a horse elects to nominate an Accountable Person in accordance with sub-Rule (1), then the Accountable Person nominated by such lessee and approved by NZTR is the Accountable Person of that horse in place of any Accountable Person nominated by the Owner(s) of the horse.
- (3) Upon the sale, transfer or other disposal, or lease, of a horse, any such appointment of a replacement Accountable Person shall automatically terminate, and the Accountable Person shall be determined in accordance with Rule 1429(2) above.
- (4) NZTR may in its absolute discretion, at any time and without assigning any reason, remove the Accountable Person of a horse and either require another Accountable Person to be nominated for that horse or require that the Accountable Person be determined in accordance with Rule 1429(2) above, including if the Accountable Person is or becomes a person to whom any of sub-Rules 411(b)(i) to (vii) apply.

WELFARE GUIDELINES

1432 NZTR shall publish, from time to time, Welfare Guidelines which shall include:

- (a) minimum standards for compliance with Rule 1401;
- (b) requirements in respect of surgical procedures for the purposes of Rule 1402(6);
- (c) requirements for the sale, transfer or other disposal of a horse for the purposes of Rule 1404, including, but not limited to, requirements relating to the person to whom the horse is sold, transferred or disposed and the intended future activity of the horse;
- (d) requirements for euthanasia of a horse for the purposes of Rule 1404; and
- (e) such other matters relating to horse welfare as NZTR sees fit.

GENERAL PROVISIONS

1433 For the avoidance of doubt:

- (a) Thoroughbred Welfare Compliance Notices and temporary and permanent Thoroughbred Welfare Possession Orders may be issued at any time notwithstanding any related filing of an information or bringing of proceedings before a Tribunal; and
- (b) informations may be filed and proceedings may be brought before a Tribunal at any time in respect of any alleged breach of the Welfare Guidelines irrespective of whether or not a Thoroughbred Welfare Compliance Notice or temporary or permanent Thoroughbred Welfare Possession Order has been issued.

1434 Nothing in this Part XIV of the Rules requires a person to keep a horse alive when it is suffering unreasonable or unnecessary pain or distress.

- 1435 Nothing in this Part XIV of the Rules limits or supersedes any other obligations imposed at law, including (but not limited to) under the Animal Welfare Act 1999 or any successor or related legislation.
- 1436 None of NZTR, a Club, a Stipendiary Steward, an Investigator, a Tribunal, a Training Disputes Tribunal, nor any person authorised by any of them to act under these Rules, nor any employee nor agent of any of them, shall be liable for damages to the Owner or lessee (as the case may be), Trainer, Racing Manager or Accountable Person of a horse or to any other person subject to these Rules at any time when the alleged cause of action arose by reason of the exercise of the powers conferred (or bona fide believed to have been conferred) by this Part XIV of the Rules.
- 1437 For the avoidance of doubt, any person who is subject to any duty, obligation, or prohibition in these Rules in relation to a horse is not released from that obligation merely because they are not the Accountable Person for that horse.

- (a) who himself trains a horse pursuant to a trainer's licence and does not also train the horse for any other Owner; or
- (b) who employs (as an employee pursuant to a written contract of employment), or otherwise engages (pursuant to a written contract for services), a Trainer to train a horse or horses exclusively for that Owner so that the Trainer does not train any horses for anyone else.

Exempt Trainer means a Trainer who is not required to comply with the NZTR Training Agreement, being a Trainer:

- (a) with a trainer's licence who does not also train the horse for any other Owner; or
- (b) who is contracted in writing to provide services in respect of the care, control or training of horses exclusively to an Exempt Owner.

External Proceedings means legal proceedings in a court or tribunal (not including a TDT) outside the Rules.

Fees Notice means the written fee disclosure notice a Trainer must provide to an Owner of a horse pursuant to Rule 1510.

Freeze means, in relation to Stakes to which the Owner would otherwise be entitled, a direction by NZTR that those Stakes be withheld for a period of time that is fixed by NZTR.

Lessor means, in relation to a horse that is leased to a Lessee, an Owner of the horse.

Stakes to which an Owner would otherwise be entitled means, for the purpose of Part XV of the Rules, any stakes, winnings or prizes which, but for Part XV of the Rules, an Owner would be entitled to receive from NZTR on behalf of a Club in relation to the placing or performance in a race of a horse or horses owned or part-owned by the Owner which is trained by the Trainer. Such Stakes may therefore include stakes earned through the results of a horse(s) other than the horse(s) that received the relevant Training Services the subject of action under Part XV of the Rules.

Training Services means services provided by a Trainer (or qualified and authorised employees or persons engaged or approved by a Trainer) in relation to the care, control or training of a horse.

APPLICATION

- (i) All Rules in this Part XV apply equally to a lessee of a horse as an Owner, unless a particular provision of the Rules, the Training Agreement or the C-Owner Agreement expressly states that it only relates to a person with an Ownership interest (rather than a lease) in a horse.
- (ii) Any company or other business structure through which a trainer provides training services, including the billing of training services, is bound by these Part XV Rules and must comply with them to the intent that the requirement of the Part XV Rules cannot be avoided on account of a Trainer providing services through a corporate entity or other business structure which is not licensed or registered with NZTR.
- (iii) All Rules in this Part XV apply equally to a Training Partnership licensed pursuant to the Rules as it does to individually licensed Trainers.

NZTR TRAINING AGREEMENT, NZTR CO-OWNER AGREEMENT AND NZTR LEASE AGREEMENT

- 1502 (1) The NZTR Training Agreement is deemed to apply between the Trainer and Owner of each horse (except Exempt Trainers and Exempt Owners), and such parties must comply with the agreement, subject to sub-Rule 1502(2).
- (2) If a Trainer and an Owner of a horse:
- (a) are, as at the Part XV Commencement Date, party to a separate written agreement in relation to Training Services in respect of the horse, they can in writing agree that the other agreement continues to operate after the Part XV Commencement Date in accordance with its terms in place of the NZTR Training Agreement, provided they provide a copy of such other agreement to NZTR within 30 days of the Part XV Commencement Date; or
 - (b) after the Part XV Commencement Date:

- (i) enter into a separate written agreement in relation to Training Services in respect of the horse; or
- (ii) agree in writing to exclude, vary or limit by agreement specific terms of the NZTR Training Agreement,

they can in writing agree that the other agreement operates in accordance with its terms in place of the NZTR Training Agreement, provided they provide a copy of such other agreement to NZTR within 30 days of entry into such other agreement.

(3) This Rule 1502 applies equally to a Training Partnership as it does to individual Trainers.

1503 (1) The NZTR Co-owner Agreement is deemed to apply as between the Co-owners of each horse (except for Co-owners who are members of a Bloodstock Syndicate or shareholders in a Bloodstock Company (as those terms are defined in the Bloodstock Syndication Code of Practice set out in the Second Appendix to these Rules) that owns or has an ownership interest in a horse, in which case the relevant syndicate or partnership agreement will apply as between such Co-owners in place of the NZTR Training Agreement), and such Co-owners must comply with the terms of such agreement, subject to Rule 1503(2).

(2) If one or more of the Co-owners of a horse:

- (a) is, as at the Part XV Commencement Date, party to a separate written agreement with other Co-owners in respect of the ownership of the horse, the Co-owners can agree in writing that the other agreement continues to operate after the Part XV Commencement Date in accordance with its terms in place of the NZTR Co-owner Agreement, provided they provide a copy of such other agreement to NZTR within 30 days of the Part XV Commencement Date; or
- (b) after the Part XV Commencement Date:
 - (i) enter into a separate written agreement with other Co-owners in respect of the ownership of the horse; or
 - (ii) agree in writing to exclude, vary or limit by agreement specific terms of the NZTR Co-owner Agreement,

they can in writing agree that the other agreement operates in accordance with its terms in place of the NZTR Co-owner Agreement, provided they provide a copy of such other agreement to NZTR within 30 days of entry into such other agreement.

1504 (1) The NZTR Lease Agreement is deemed to apply as between the Lessor and Lessee of each horse, and such parties must comply with such agreement, subject to Rule 1504(2).

(2) If the Lessor and Lessee of a horse:

- (a) are, as at the Part XV Commencement Date, party to a separate written agreement in relation to the lease of the horse, they can in writing agree that the other agreement continues to operate after the Part XV Commencement Date in accordance with its terms in place of the NZTR Lease Agreement, provided they provide a copy of such other agreement to NZTR within 30 days of the Part XV Commencement Date; or
- (b) after the Part XV Commencement Date:
 - (i) enter into a separate written agreement in relation to the lease of the horse; or
 - (ii) agree in writing to exclude, vary or limit by agreement specific terms of the NZTR Lease Agreement,

they can in writing agree that the other agreement operates in accordance with its terms in place of the NZTR Lease Agreement, provided they provide a copy of such other agreement to NZTR within 30 days of entry into such other agreement.

1505 If NZTR does not receive a copy of an agreement referred to in Rules 1502 to 1504 within the time period stated in such Rules, NZTR may its sole discretion, in exercising its powers under these Rules, disregard any such agreement.

1506 Part XV of these Rules, the NZTR Co-owner Agreement and the NZTR Training Agreement apply equally to a Lessee as an Owner, unless the context requires otherwise or unless a particular

provision of Part XV of these Rules, the NZTR Co-owner Agreement and/or the NZTR Training Agreement expressly states that it only relates to a person with an ownership interest (rather than a lease interest) in a horse.

- 1507 Any company or other business structure through which a Trainer provides Training Services (including the billing of Training Services) is bound by Part XV of these Rules and must comply with them (to the intent that the requirements of the Part XV of these Rules cannot be avoided on account of a Trainer providing Training Services through a corporate entity or other business structure which is not licensed or registered by NZTR).

GENERAL PROVISIONS

- 1508 (1) Where a Racing Manager has been appointed by the Owner(s) or Lessee(s) of a horse pursuant to the Rules, then, for the purposes of Part XV of these Rules:
- (a) the Racing Manager is responsible for representing the Owner(s) or Lessee(s) (as applicable);
 - (b) the Racing Manager will be the expressly authorised representative of the relevant Owner(s) or Lessee(s) (as applicable); and
 - (c) all actions and decisions made by the Racing Manager will be taken to be made on behalf of all of the relevant Owner(s) or Lessee(s) (as applicable) and will be binding on them.
- (2) A Racing Manager in respect of a horse shall comply with any obligations imposed on it pursuant to the NZTR Co-owner Agreement in respect of the horse (including as amended, whether in accordance with Rule 1503(2) or otherwise) or any other separate agreement made in respect of the ownership or lease of the horse (whether made in accordance with Rule 1503(2) or otherwise), as applicable.
- 1509 If a dispute between a Trainer and an Owner arises under Part XV of the Rules:
- (a) neither party may commence External Proceedings in respect of the matters the subject of the dispute, save as to proceedings seeking urgent interlocutory relief, until all of the procedures set out in Part XV of the Rules through which Training Fees and/or Training Disbursements can be recovered, or disputes in relation to them can be resolved or determined, have been followed; and
 - (b) if a party commences External Proceedings in respect of the matters the subject of the dispute, this Rule may be relied upon or pleaded by the other party as a bar to any such proceedings.

ISSUE OF FEES NOTICE

- 1510 (1) As from the Part XV Commencement Date:
- (a) any Trainer who currently trains a horse for an Owner must issue a Fees Notice to the Racing Manager within 28 days of the Part XV Commencement Date;
 - (b) any Trainer who is engaged as a Trainer of a horse on or after the Part XV Commencement Date must issue a Fees Notice to the Racing Manager:
 - (i) if the Trainer is engaged in the period from the Part XV Commencement Date up to and including 28 days after the Part XV Commencement Date, within 35 days of the Part XV Commencement Date; or
 - (ii) if the Trainer is engaged more than 28 days after the Part XV Commencement Date, within 7 days of the date on which the Trainer is engaged;
 - (c) the Racing Manager of a horse must provide a copy of the Fees Notice to each Owner of that horse within 5 days of being issued the Fees Notice by the Trainer; and
 - (d) if the Racing Manager of a horse does not object to the Fees Notice issued by the Trainer within 14 days of being issued the Fees Notice, the basis for providing Training Services set out in that notice is deemed to have been accepted by the Owner(s).
- (2) The Fees Notice must set out:
- (a) the Training Fees itemised by category of service or item provided;

- (b) the anticipated Training Disbursements by name of service and anticipated provider (if known);
- (c) the anticipated Direct Payment Disbursements by name of service and anticipated provider (if known);
- (d) any additional fees the Trainer proposes to charge the Owner, including bonuses for winning races, or commissions on the sale of a horse; and
- (e) whether a Trainer proposes to charge interest on any unpaid Training Fees and/or Training Disbursements. The Trainer is entitled to do so from the day after an amount falls due and payable, at an interest rate not more than the rate prescribed from time to time for post-judgment interest in the High Court of New Zealand.

PRESUMPTION OF A TRAINING DEBT

- 1511 (1) As a condition precedent to a Trainer being able to rely on the Presumption of a Training Debt, the Trainer must provide an invoice (or invoices) for Training Fees and/or Training Disbursements to the Owner of the relevant horse by the 15th day of the calendar month following a month or past month in which Training Services were provided by the Trainer in respect of the horse.
- (2) A Trainer who fails to issue an invoice by the end of the 15th day of a month following a month or past month in which Training Services were provided must wait until the subsequent month to seek to rely on the Presumption of a Training Debt, and can only do so if an invoice for such Training Services has been provided to the Owner by the end of the 15th day of that subsequent month.
- (3) If an invoice is issued in accordance with sub-Rule (1), the Owner may formally dispute the invoice (or part of it) by serving on the Trainer a Dispute Notice which complies with the requirements of Rule 1512(1). A copy of the Dispute Notice must also be provided to NZTR.
- (4) If a Trainer issues an invoice in accordance with sub-Rule (1) and the invoice is not fully paid by its Due Date, then unless a Dispute Notice is provided by the Owner to the Trainer by that Due Date, the invoice is deemed to be due and payable to the Trainer on that Due Date. That is known as the **Presumption of a Training Debt** against the Owner.
- (5) If a Dispute Notice is provided by an Owner to a Trainer by the Due Date of the relevant invoice, the Presumption of a Training Debt does not arise. In that instance, unless the dispute is settled by consent, the Trainer and Owner each may apply in accordance with Rule 1512] to have the dispute heard and determined by the TDT.

DISPUTE NOTICE

- 1512 (1) A Dispute Notice:
- (a) must be in a form prescribed by NZTR from time to time, and must contain the information required by that form;
 - (b) must clearly identify the invoice(s) (or part(s) of the invoice(s)) disputed by the Owner, the amount in dispute, and the grounds for the dispute;
 - (c) must be provided by an Owner to a Trainer with any supporting documentation (to be enclosed with the Dispute Notice) the Owner intends to rely on in relation to the dispute;
 - (d) must be served on the Trainer, with a copy to be provided by the Owner to NZTR:
 - (i) subject to sub-Rules (1)(e) and (2), within 6 months of the date of the relevant invoice; and
 - (ii) by the Due Date of the relevant invoice if the Owner wishes to prevent the Presumption of a Training Debt arising; and
 - (e) must not be served on the Trainer after an Enforcement Action Application (**EAA**) is filed with NZTR by the Trainer under Rule 1513(1), and any purported service of a Dispute Notice after that time will not be valid.

- (2) If a Dispute Notice challenges part, but not the whole of an invoice issued by a Trainer to an Owner, the Owner must pay to the Trainer the part not in dispute by the relevant Due Date in accordance with Rule 1511(1). Failing that, the part not in dispute is deemed due and payable to the Trainer at the relevant Due Date.
- (3) Once a Dispute Notice is served by an Owner on a Trainer in accordance with sub-Rule (1), each has the right to elect to have the dispute determined by a TDT by filing a Notice of Election of Hearing with NZTR within 14 days of the Dispute Notice being served, with a copy also required to be served on the other party to the dispute.

CONSEQUENCES FOR A TRAINER AND OWNER IF THE PRESUMPTION OF A TRAINING DEBT ARISES

- 1513 (1) Once the Presumption of a Training Debt arises, the relevant Trainer may file an EAA with NZTR (with a copy to be served on the Owner(s)) seeking that one or more of the following consequences apply in respect of the Owner(s):
- (a) if the defaulting Owner(s) owns 50% or more of the relevant horse, and the horse is transferred to another trainer without NZTR's consent, that NZTR determine that the horse may not be entered for any Race;
 - (b) that NZTR will not register any transfer of the Owner's share or ownership interest in the horse; and
 - (c) that NZTR will, other than in a Special Circumstance determined in its discretion, Freeze the payment of Stakes to which the Owner would otherwise be entitled, and direct payment of those Stakes to the Trainer.
- (2) Once an EAA is filed with NZTR by a Trainer under sub-Rule (1), the relevant Owner is not permitted to serve a Dispute Notice on the Trainer in respect of the relevant Training Fees and/or Training Disbursements and any purported service of a Dispute Notice after that time will not be valid.
- (3) Once an EAA is filed with NZTR by a Trainer under sub-Rule (1), unless NZTR considers that a Special Circumstance warrants another course, each of the consequences stated in sub-Rules (1)(a) to (1)(c) which were applied for by the Trainer will apply until:
- (a) the relevant Training Fees and/or Training Disbursements which are due and payable are paid to the Trainer;
 - (b) the Trainer notifies NZTR that the Trainer has come to a settlement with the Owner in relation to the payment of the disputed amount; or
 - (c) the Owner notifies NZTR that the Owner has come to a settlement with the Trainer in relation to the payment of the disputed amount and provides sufficient evidence (as determined by NZTR in its sole discretion) of such settlement.
- (4) A Trainer must notify NZTR in writing within 24 hours of becoming aware of having received payment from an Owner of any Training Fees and/or Training Disbursements referred to in an EAA, and/or of reaching a settlement with the Owner regarding the payment of the Training Fees and/or Training Disbursements the subject of an EAA.

TRAINER'S FURTHER RIGHTS OF OBJECTION

- 1514 (1) If, despite the Presumption of a Training Debt not having arisen, a Trainer contends that Training Fees and/or Training Disbursements are due and payable to the Trainer in respect of a horse, the Trainer may object by written notice provided to NZTR to the transfer of an ownership interest in the horse from one Owner to another Owner or to a third party. A copy of that written objection must also be served on the relevant Owner.
- (2) If a Trainer lodges an objection with NZTR pursuant to sub-Rule (1):
- (a) the following consequences apply:
 - (i) NZTR will notify the relevant Owner of the objection;
 - (ii) (if so determined by NZTR at its discretion) if the Owner owns 50% or more of the horse, and the horse is transferred to another trainer without NZTR's consent, the horse may not be entered for any Race; and

- (iii) NZTR will not register any transfer of the Owner's ownership interest in the horse;
- (b) the consequences stated in sub-Rules (2)(a)(ii) and (2)(a)(iii) will cease after 5 business days unless the Trainer provides NZTR with copies of the invoice(s) owed to the Trainer (clearly identifying the parts of them alleged to be due and payable to the Trainer) within that 5 business day period (which period is not to be extended in any circumstance);
- (c) upon receipt of that information, NZTR will notify the relevant Owner who may then either:
 - (i) pay the amount of the invoice(s) in full to NZTR (in which case NZTR will pay those funds to the Trainer and NZTR will process the relevant transfer request); or
 - (ii) serve a Dispute Notice on the Trainer (with a copy also required to be provided to NZTR). Once that is done, either party may elect to have the matter determined by the TDT by filing a Notice of Election of Hearing with NZTR within 14 days of the date of issue of the Dispute Notice (with a copy also required to be served on the other party). However, a Notice of Election of Hearing will only be valid and accepted by NZTR if the Dispute Notice relating to the dispute was served within 6 months of the date of the invoice being disputed.
- (3) If an Owner serves a Dispute Notice under sub-Rule (2)(c)(ii), and the Owner still wishes for the relevant transfer to proceed without delay, the Owner can pay the amount of the disputed invoice(s) into the Training Disputes Trust Account pending determination of the dispute, at which point NZTR will process the relevant transfer.

TDT PROCESS

- 1515 (1) If an Owner has served a Dispute Notice on a Trainer in accordance with Rule 1512(1), either of them may, within 14 days of the service of the Dispute Notice, elect to have the dispute determined by a TDT by paying the Filing Fee to NZTR and at the same time filing a Notice of Election of Hearing with NZTR and serving it on the other party to the dispute.
- (2) A Notice of Election of Hearing will only be valid and accepted by NZTR if the Dispute Notice related to the dispute was served within 6 months of the date of the invoice the subject of the dispute and before any EAA was filed by the Trainer.
- (3) When a valid Notice of Election of Hearing is received by NZTR from an Owner or a Trainer, then the consequences set out in Rule 1514(2)(a)(ii) and 1514(2)(a)(iii) will apply unless the amount disputed in the Notice of Election of Hearing has been paid by the Owner into the Training Disputes Trust Account pending resolution of the relevant dispute.
- (4) The TDT may make such directions in relation to the preparation of the dispute for hearing as it sees fit, except that a hearing on the papers can only take place if all parties agree.
- (5) In relation to an oral hearing before the TDT:
- (a) there is no automatic right to legal representation before the TDT; and
 - (b) the TDT may grant leave to the Trainer and/or Owner to be legally represented if in the opinion of the TDT that is warranted having regard to one or more of the following matters:
 - (i) the complexity of the issues arising under the dispute;
 - (ii) the amount disputed;
 - (iii) whether or not the case is of general importance to the racing industry;
 - (iv) the interests of justice in the circumstances of the case.
- (6) In respect of a hearing before the TDT:
- (a) the TDT:
 - (i) must, other than in exceptional circumstances, make all reasonable efforts to determine the dispute within 10 days of the hearing of that dispute; and

- (ii) is only required to provide written reasons of its decision if at least one party to the dispute requests it does so;
 - (b) the decision of the TDT will be binding on all parties as a decision under these Rules;
 - (c) the TDT may determine whether Training Fees and/or Training Disbursements must be paid and in what amount, including in relation to any amounts paid into the Training Disputes Trust Account;
 - (d) if a party intends to challenge the decision of the TDT by way of External Proceedings, it must provide written notice of that intention to the other party and NZTR within 7 days of the TDT's decision. If that is done, then from that point NZTR must not take any action in relation to the disputed Training Fees and/or Training Disbursements until, subject to sub-Rule (6)(e), the outcome of the External Proceedings is known;
 - (e) if notice of an intention to commence External Proceedings is provided in accordance with sub-Rule (6)(d), but the notifying party has not provided NZTR with evidence of the commencement of External Proceedings within 28 days of the TDT's decision then:
 - (i) if the TDT has ordered that an amount be paid to the Trainer in respect of Training Fees and/or Training Disbursements, the Owner must pay the Trainer the amount determined by the TDT within 2 days of that date (that is, within 30 days of the TDT's decision); and
 - (ii) if NZTR receives evidence of the commencement of External Proceedings more than 28 days after the TDT's decision, then from that point NZTR must not take any action in relation to the disputed Training Fees and/or Training Disbursements until the outcome of the External Proceedings is known;
 - (f) if notice of an intention to commence External Proceedings is not provided in accordance with sub-Rule (6)(d), and the TDT has ordered that an amount be paid to a Trainer in respect of Training Fees and/or Training Disbursements, the Owner must pay the Trainer the amount determined by the TDT in full within 7 days of the TDT's decision;
 - (g) the TDT has the discretion to order which party or parties shall bear the cost of the relevant Filing Fee in respect of that application and in what proportion; and
 - (h) other than as provided in sub-Rule (6)(g), the parties to a dispute before the TDT must bear their own costs (including any legal costs) in connection with that dispute, except that the TDT retains a discretion to order that a party (**first party**) pay some or all of the costs of the other party if the TDT is satisfied that:
 - (i) the first party commenced or responded to the TDT proceedings vexatiously; or
 - (ii) the first party's commencement of, or response to, the TDT proceedings had no reasonable prospect of success.
- (7) A TDT has jurisdiction to determine all issues or questions relevant to the determination of a dispute between a Trainer and an Owner (or Owners) in relation to the payment of Training Fees and/or Training Disbursements. A TDT does not have jurisdiction to determine disputes between Co-owners or between a Lessor and a Lessee.

FACILITATING PAYMENT AFTER A DECISION OF A TDT

- 1516 (1) If a TDT makes an award in favour of a Trainer then, subject to Rules 1515(6)(d) and 1516 (2), the following consequences apply to the defaulting Owner:
- (a) (if so determined by NZTR at its discretion) if the Owner owns 50% or more of the relevant horse, and the horse is transferred to another trainer without NZTR's consent, the horse may not be entered for any Race;
 - (b) NZTR will not register any transfer of the relevant Owner's interest in the horse; and

- (b) she has not been observed to abort a foetus but has, by the method referred to in the next succeeding sentence, previously been diagnosed to be pregnant and is subsequently in the same year found to be empty. A natural gestation must have taken place and delivery must have been from the body of the same mare in which the foal was conceived. For the avoidance of doubt:

- (e) such natural service may include the immediate reinforcement of the stallion's service by using residual semen ejaculated by the stallion whilst it penetrated the mare during that service of the same mare, provided that the reinforcement of service must be immediately after the natural covering and the semen must not be processed or altered in any way before it is used for reinforcement; and
- (f) semen obtained from a stallion by any artificial means may not be used to reinforce a service, and any other form of artificial breeding (including artificial insemination, embryo transfer or transplant, cloning, or any other form of Genetic Manipulation or Gene Doping) may not be used to produce the horse.

A natural gestation must have taken place and delivery must have been from the body of the same mare in which the foal was conceived. For the avoidance of doubt:

- (c) such natural service may include the immediate reinforcement of the stallion's service by using residual semen ejaculated by the stallion whilst it penetrated the mare during that service of the same mare, provided that the reinforcement of service must be immediately after the natural covering and the semen must not be processed or altered in any way before it is used for reinforcement; and

- (3) Notwithstanding sub-Rules (1) and (2) above, any horse which NZTR reasonably believes has been subjected to Gene Doping shall be ineligible for entry in the New Zealand Stud Book and the Register of Non Stud Book Mares and, if previously entered therein, shall be removed therefrom. [Amended 1 September 2020]

- 3 (1) Notwithstanding that a horse is eligible for entry under the last preceding Regulation, it shall not be entered in the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable):

 - (b) until, in any case, the identity and breeding of the horse is established to the satisfaction of NZTR.
- (2) Notwithstanding that a horse is eligible for entry under the last preceding Regulation if such horse has been foaled in New Zealand and has not been Microchipped, DNA-typed or freeze branded it shall not be entered in the New Zealand Stud Book and if entered shall be deleted therefrom unless in either case NZTR in its sole discretion decides otherwise.

- 4 (1) Every owner or, in the case of a mare which is leased, lessee known to him in New Zealand of a mare or mares eligible for entry, or entered, in the New Zealand Stud Book or Register of Non Stud Book Mares (as applicable) must submit to NZTR a form (referred to herein as a **mare return**) for returning particulars of their foalings and coverings. Such return shall be in a form prescribed by NZTR or processed through the Breeders Service Centre on line studbook, and shall be furnished to NZTR in respect of each year not later than the date twelve months following the last date of service for that year or, if the mare was not served in that year, the 28th February in each year. The relevant fee specified by NZTR is payable in respect of each year's mare return in respect of every eligible broodmare accepted with a view to inclusion in the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable) and the mare return must be furnished to NZTR irrespective of whether:

- (a) as a result of her covering in the last preceding year the mare foaled, missed or slipped;
or
- (b) the mare was covered during the last preceding year.

The fee is also payable in respect of a mare which has died leaving a surviving foal. [Amended 1 September 2020]

- (2) Every person in whose charge, care or control a mare entered or eligible for entry in the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable) is at the time of foaling, shall keep a record of such foaling, showing:

- (c) the location of the foal;
- (d) the sex of the foal;
- (e) the colour of the foal;
- (f) whether the foal was born alive;
- (g) the name of the foal's sire; and

- (4) Every person who, being required so to do by these Regulations fails to furnish a return to NZTR by the required time in any Racing Year shall be liable for the relevant late entry fee specified by NZTR in respect of that return. [Amended 1 September 2020]
- (5) Failure on the part of any person to comply with the provisions of sub-Rule (1), (2) and (4) hereof may be deemed by NZTR sufficient ground for refusing the registration of the horse concerned under the New Zealand Rules of Racing.
- (6) If the mare return for a mare records that she gave birth to a live foal during the period to which the return relates there shall be forwarded with the mare return not only the fee referred to in Regulation 4 (1) hereof but also the relevant fee specified by NZTR for each live foal to which the mare gave birth during such period which fee shall be to enable the foal to be DNA-typed. If no live foal is so recorded no such additional fee shall be payable provided however that if, contrary to what is recorded on the mare return, a mare had given birth to a live foal the fee specified by NZTR shall be paid to NZTR when a sample of the hair of that foal is forwarded for DNA-typing. If, after the fee specified by NZTR has been forwarded with a mare return but before the foal to which it relates has been DNA-typed, a foal dies, NZTR shall refund such fee to the person who paid it.

- 5A (1) The relevant fee specified by NZTR shall be payable in respect of each mare for which initial entry as a broodmare in the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable) is sought. Every person who applies for such initial entry of a mare shall

forward to NZTR with such application the certificate of registration issued under the New Zealand Rules of Racing in respect of that mare. NZTR shall then prepare in respect of that mare a document which shall be called a certificate of registration/document of description and which shall be in a form prescribed by NZTR from time to time. NZTR shall thereafter forward to such person or his nominee the certificate of registration/document of description in respect of the mare.

- (2) Every person applying for initial entry of a mare as a broodmare in the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable) shall be sent by NZTR instructions to enable samples of the hair of that mare to be obtained by such person.
 - (3) It shall be the duty of every such person to obtain at his expense samples, as required by such instructions, of the hair of the mare in respect of which initial entry as aforesaid is sought and secondly to ensure that, within two months of forwarding his application as aforesaid, such samples are forwarded to the laboratory of the Equine Parentage and InfogeneNZ, Massey University, Palmerston North.
 - (4) If the samples forwarded are not acceptable to the laboratory further samples shall be obtained and forwarded.
 - (5) Such laboratory shall, on a basis to be agreed between such Department or University and NZTR, carry out the DNA-typing of all such samples as are so forwarded to it and shall report in respect of such samples to NZTR.
 - (6) NZTR shall then make a decision in respect of the application for the initial entry of the mare as a broodmare in the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable).
 - (7) Hair samples are required to be obtained from such horse or horses as NZTR shall specify and to be forwarded to such laboratory as aforesaid in each of the following cases:
 - (a) in the case of every stallion entered or eligible for entry in the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable) which is standing at stud in New Zealand and which has not already been DNA-typed by such laboratory;

 - (c) whenever a mare foals less than 315 or more than 370 days after the date of last service;
 - (d) whenever the markings and/or brands of a horse differ, to an extent which is in the opinion of NZTR significant, from those recorded on the branding slip or brand identification certificate relating to such horse and NZTR considers that DNA-typing is required in view of the difference;
 - (e) whenever NZTR considers that the sire and/or dam of a horse may be different from that whose progeny it has hitherto been regarded as being;
 - (f) whenever a foal's reported coat colour is considered by NZTR to warrant investigation by way of DNA-typing being carried out; and/or
 - (g) in any other case where in the opinion of NZTR doubt exists on a matter which the proper compilation of the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable) requires to be free from doubt.
 - (8) It shall be the duty of every person who is required by NZTR pursuant to sub-Regulation (7) of this Regulation to cause hair samples to be obtained and submitted to do so in accordance with NZTR's requirements.
 - (9) The relevant fee specified by NZTR per sample shall be paid to NZTR in respect of every sample forwarded pursuant to sub-Regulation (7) of this Regulation.
- 5B
- (1) It shall be the duty of the owner or, in the case of a mare which is leased at the time of foaling, lessee of every mare which gives birth to a foal to ensure that a sample of the hair of that foal is taken and sent to InfogeneNZ, Massey University, Palmerston North.
 - (2) No sample shall be taken from any such foal until it has:

- (a) been branded and microchipped; and
 - (b) lived for at least three months.
- (3) Subject to sub-Regulation (2) of this part of this Regulation, the sample shall be taken before the 31st day of July next following the birth of the foal or before any sale which takes place prior to that date, provided however that if a foal is sold before it is branded and microchipped and has lived for three months it shall be the duty of the purchaser to ensure that the sample is taken and sent to the laboratory after the foal has been branded and microchipped and has lived for at least three months but before the said 31st day of July or further prior sale.
- (4) If the sample forwarded is not acceptable to the laboratory a further sample shall be obtained and forwarded by the person under the duty pursuant to sub-Regulation (1) and (3) of this part of this Regulation.
- (5) The laboratory shall, on a basis to be agreed between such Department or University and NZTR, carry out the DNA-typing of all such samples as are so forwarded to it and shall report in respect of such samples to NZTR.
- (6) If any entry has already been made in the Stud Book in relation to any foal born, NZTR may in his sole discretion amend it so that the breeding of the foal as recorded in the New Zealand Stud Book accords with the results of the DNA-typing of the sample of hair taken from the foal.
- (7) If in respect of any foal born no sample of hair is taken and forwarded within the time required NZTR may refuse to enter in the New Zealand Stud Book the name or any other record of the foal or, if it has already been entered, may delete from such Stud Book the name of or any entry relating to such foal.
- 6 NZTR may waive part or all of any of the fees payable pursuant to these Regulations if it in its sole discretion shall consider the circumstances so warrant.
- 7 A foal is not eligible for inclusion in the New Zealand Stud Book unless it is begotten by natural service of the mare which gave birth to the foal.
- 8 (1) The owner of a foal foaled in New Zealand during the current Racing Year and eligible for entry in the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable) must obtain from a registered veterinary surgeon a brand and DNA-type identification certificate for returning a description and other particulars of the foal. Such certificate shall be in the form prescribed by NZTR from time to time.
- (2) It is the duty of the owner or, in the case of a mare which is leased, lessee of a mare entered or eligible for entry in the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable) to ensure that branding and microchipping of that mare's foal is carried out either at or prior to weaning with a cipher brand on the near shoulder and numerical brands on the off shoulder to represent the serial number of the foal branded and the year in which the foal was dropped. The last figure of the brands must coincide with the year of foaling. If the foal is freeze branded the size of the brands to be used must have a marking face not to exceed 6.3 mm in width; the cipher or alphabetical brand shall not be less than 25.4 mm nor more than 38.1 mm in depth and the numerical brands shall not be less than 25.4 mm nor more than 38.1 mm in depth.
- (3) Every person in whose charge, care or control a mare entered or eligible for entry in the New Zealand Stud Book is at the time of foaling or any person in whose charge, care or control a foal entered or eligible for entry in the New Zealand Stud Book is after foaling and before the 31st day of July next following shall notify the particulars and description of such in a duly completed brand identification certificate not later than the 31st day of July next after the date of such foaling to NZTR, provided however that if a foal is sold during the Racing Year in which it was born the brand identification certificate in respect thereof shall be completed and forwarded to NZTR by the person who was the owner or, in the case of a dam which is leased, lessee of that foal's dam at the time when that foal was weaned from that dam, or such owner's or lessee's duly authorised agent. NZTR shall not, except in what it considers exceptional circumstances, accept the brand identification certificate from the new owner of any such foal.

- (4) Every person who being required so to do by these Regulations fails to furnish a brand identification certificate to NZTR by the 31st day of July next after the date of such foaling shall be liable to a late entry fee at the relevant rate specified by NZTR for every month or part of a month after the said 31st day of July.
 - (5) No brand identification certificate shall be accepted after the 31st day of December next after the date of the foaling.
 - (6) Failure on the part of any person to comply with the provisions of sub-Regulations (3) and (4) hereof or to make payment of the late entry fee due hereunder shall make the foal concerned ineligible for entry in the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable) or for registration under the New Zealand Rules of Racing and any application for such entry or registration shall be null and void.
 - (7) Notwithstanding anything contained herein, NZTR shall have power to extend the time or times provided herein and to waive any of the provisions herein if it in its sole discretion considers the circumstances so warrant.
- 9 (1) NZTR shall out of each annual specified fee (inclusive of GST) received by it under Regulation 4 (1) pay to the New Zealand Thoroughbred Breeders' Association a sum to be determined by NZTR and notified to the said Association, provided that Association keeps accurately and up to date a brand register and keeps such register freely available at all times for inspection by officers of NZTR.
- 10 (1) Every person disposing by sale or gift of any stallion, broodmare, or filly which is or is eligible to be entered in the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable) shall notify such change of ownership as required under Rule 423 of the New Zealand Rules of Racing (including notifying the horse's location) and, in the case of a broodmare, shall state whether or not she has a foal at foot, its colour, sex and sire and, if served during the current season, the name of the covering stallion and date of the last service. - (3) If a mare is leased a notification of lease for stud purposes must be completed as to the mare and forwarded to NZTR together with the relevant fee specified by NZTR.
- 11 (1) The person in whose charge, care or control a stallion entered or eligible for entry in the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable) is at the time of covering shall in each year complete a certificate of service in the form prescribed by NZTR or in the form of a computer printout acceptable to NZTR in respect of every mare which is or is eligible for entry in the New Zealand Stud Book or New Zealand Register of Non-Stud Book Mares covered by the stallion and shall lodge it with NZTR in accordance with the succeeding clauses of this Regulation.

In the event of a mare being served by or paddocked with the stallion between the 1st day of September and the 31st day of January and also between the 1st day of February and the 31st day of July two certificates of service must be lodged.
- (3) If a mare has been covered by two stallions two certificates of service must be lodged.
- (4) The owner or lessee (or the duly authorised agent of either thereof) of every stallion entered or eligible for entry in the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable) shall pay to NZTR the fee specified by NZTR for the relevant category set out below:
- (a) 1-14 mares covered;
 - (b) 15-30 mares covered;
 - (c) 31-50 mares covered;

- (d) 51-70 mares covered;
- (e) 71-100 mares covered; or
- (f) more than 100 mares covered.

Such fee shall be payable not later than the 28th day of February in the next succeeding year.

- (5) The fee for a certificate of service which is lodged later than required by Regulation 11 (2) hereof shall be at the rate specified by NZTR for each month or part thereof which elapsed between the last date by which the certificate ought to have been lodged and the date when it was lodged.
 - (6) Before any mare is served by a stallion entered or eligible for entry in the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable) the person in whose charge, care or control such stallion then is shall require the production to him of and shall inspect the certificate of registration/document of description issued by NZTR in respect of that mare and shall check the identity of the mare to be served by the stallion and be satisfied that such mare is the mare to which the certificate of registration/document of description relates. Such person shall note on the certificate of registration/document of description the date on which he inspected such certificate of registration/document of description and checked the identity of the mare. Such person shall also note thereon the name of the stallion by which the mare is to be covered and shall then sign such certificate of registration/document of description. No person in whose charge, care or control any such stallion then is shall cause or permit the stallion to serve any mare unless and until such person has taken all the steps and complied with and discharged all the duties and obligations imposed on him by this sub-Regulation. Any person who fails to take all such steps or to comply with and discharge all such duties and obligations commits a breach of these Regulations. In the event of any failure by any such person to take all such steps or to comply with and discharge all such duties and obligations NZTR may decline to include in the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable) any entry relating to any covering by that stallion or any foal resulting from any such covering.
- 12
- (1) NZTR may reject at any time any mare return, branding slip, brand identification certificate or certificate of service submitted to it, and whether or not any such return, slip, brand identification certificate or other certificate has previously been accepted by it and whether or not any fees have been paid in respect thereof, without giving any reason for such rejection. NZTR may delete from the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable) at any time any entry relating to and the name of any horse referred to therein. By submitting any mare return or other document to NZTR for acceptance the person submitting it agrees to abide by the decisions of NZTR.
 - (2) If, in the opinion of an Investigator or NZTR, there is reason to believe that there has been supplied to NZTR a mare return or any other information relating to a horse entered or eligible for entry in the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable) which is or may be incorrect or if, in the opinion of an Investigator or NZTR, there are other circumstances which make an investigation necessary or desirable such Investigator or NZTR may require:
 - (a) the person who supplied the return or other information and the owner of and any other person in New Zealand who then has charge, care or control of any horse entered or eligible for entry in the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable) to submit for examination by him or such other person (if any) as NZTR appoints all books, receipts and other documents which such Investigator or NZTR or other person deems it necessary to examine and to pay such fees as NZTR directs; and/or
 - (b) the owner of and any other person in New Zealand who then has charge, care or control of any horse entered or eligible for entry in the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable) to permit all or any of inspection, examination and DNA-typing of such horse by such person as NZTR appoints.
 - (3) It shall be the duty of every owner or other person required pursuant to sub-Regulation (2) of this Regulation to submit books, receipts or other documents for examination or to permit all

or any of inspection examination and DNA-typing of a horse to do so when and as often as required by the Investigator or NZTR or other appointed person.

- (4) Failure by any owner or other person to discharge the duty set out in sub-Regulation (3) of this Regulation shall entitle NZTR:
- (a) to refuse entry in the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable) to any horse owned by or leased to such owner or other person or any company in which such owner or other person is a shareholder; and/or
 - (b) to delete from the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable) if already entered therein any entry relating to and the name of any horse owned by or leased to such owner or other person or any company in which such owner or other person is a shareholder.
- 13 (1) Before any stallion is first stood at service in New Zealand the owner of or person proposing to stand at service that stallion shall, if directed by NZTR, ensure that:
- (a) a sample of that stallion's blood is taken by a Veterinarian and submitted to the MAF National Centre for Disease Investigation, Wallaceville, for the purpose of establishing whether the stallion has the virus of equine viral arteritis;
 - (b) no mare is served by that stallion unless such person has been advised in writing by the Laboratory or NZTR that the sample was negative for equine viral arteritis;
 - (c) if such person is advised that the sample was positive for equine viral arteritis, a sample of the horse's semen is then obtained and forwarded to such Laboratory and/or (if NZTR requires it) the horse is test mated with two seronegative mares and a sample of their blood is subsequently taken by a Veterinarian (at a time to be fixed by NZTR) and forwarded to such Laboratory;
 - (d) no mare - other than the mares with which that stallion may have been required by NZTR to be test mated - is served by a stallion whose blood sample was positive for equine viral arteritis unless such person has been advised in writing by the Laboratory or NZTR that the stallion although seropositive is not a shedder of the virus in his semen; and
 - (e) there are paid by such person, by the time required, all fees in respect of the taking and testing of samples and/or the test mating of the stallion with mares.
- (2) Every person owning or standing a stallion at service in New Zealand shall, if directed by NZTR, ensure that:
- (a) if the stallion has not previously stood at service in New Zealand such person complies with every obligation imposed upon him by sub-Regulation (1) of this Regulation; or
 - (b) if the stallion has previously stood at service in New Zealand:
 - (i) a sample of the stallion's blood is taken by a Veterinarian and submitted to the MAF National Centre for Disease Investigation, Wallaceville, for the purpose of establishing whether the stallion has the virus of equine viral arteritis, provided however that no sample of the stallion's blood shall be required to be taken and tested if such Laboratory or NZTR has previously advised such person in writing that the stallion although seropositive is not a shedder of the virus in his semen;
 - (ii) every such sample is taken not later than 30th June each year;
 - (iii) after the taking of such sample no mare is served by that stallion unless such person has been advised in writing by the Laboratory or NZTR that the sample was negative for equine viral arteritis; or
 - (iv) if such person is advised that the sample was positive for equine viral arteritis a sample of the horse's semen is then obtained and forwarded to such Laboratory and/or (if NZTR requires it) the horse is test mated with two seronegative mares and a sample of their blood subsequently taken by a Veterinarian (at a time to be fixed by NZTR) and forwarded to such Laboratory;

- (v) no mare, other than the mares with which that stallion may have been required by NZTR to be test mated, is served by a stallion whose blood sample was positive for equine viral arteritis unless such person has been advised in writing by the Laboratory or NZTR that the stallion although seropositive is not a shedder of the virus in his semen; and
 - (vi) there are paid by such person, by the time required, all fees in respect of the taking and testing of samples and/or the test mating of the stallion with mares.
 - (3) Not later than the 31st day of July in each year the owner of or person standing or proposing to stand at service in New Zealand a stallion shall, if directed by NZTR:
 - (a) lodge with NZTR a letter (from the Veterinarian who took the sample) confirming that the blood sample has been taken and forwarded to such Laboratory; or
 - (b) lodge with NZTR proof that the stallion although seropositive is not a shedder of the virus of equine viral arteritis in his semen and therefore is not required to be the subject of an annual blood test.
 - (4) In the event of any person to whom this Regulation applies failing to comply with any obligation imposed upon him by any of the preceding sub-Regulations of this Regulation:
 - (a) such person commits a breach of these Regulations and shall be liable to the penalties set out in Regulation 15(4) of these Regulations; and
 - (b) NZTR shall be entitled to refuse entry in the New Zealand Stud Book or the Register of Non Stud Book Mares (as applicable) any horse born as a result of a mating in New Zealand of a mare and the stallion in respect of which such breach was committed.
 - (5) NZTR may in writing exempt any such person from complying with this Regulation in respect of a stallion if he is satisfied that that stallion has already been tested for such virus that it is not then necessary for the stallion to be tested again.
 - (6) NZTR may at any time require that a stallion which has already been tested for such virus be tested again within such time as it shall specify in writing and in any such case the provisions of sub-Regulations (1), (2), (3) and (4) of this Regulation shall apply with any necessary modifications.
- 14 Any person who in or on any form, document, receipt or other paper of any kind makes any entry or writing of any kind for the purpose of meeting or enabling him or someone else to meet an obligation imposed on him by these Regulations and any person who subsequently comes into possession of any such form, document, receipt or other paper shall ensure that unless it has already been sent to NZTR it is retained and available for inspection by an Investigator or NZTR for a period of at least seven years after and exclusive of the day of the last entry or writing being made therein or thereon or of the day on which he came into possession as the case may be.
- 15
- (1) Every person who fails to comply with any obligation or discharge any duty imposed upon him by these Regulations commits a breach of these Regulations.
 - (2) Every person who (other than wilfully) furnishes to NZTR any incorrect information in connection with the pedigree, colour markings or brands of a horse commits a breach of these Regulations.
 - (3) Any alleged breach of these Regulations may be prosecuted by an Investigator and shall be considered and dealt with by an Adjudicative Committee.
 - (4) NZTR may exercise its powers under these Regulations notwithstanding that an Adjudicative Committee has penalised, or has the power to penalise, a person for a breach of these Regulations which constitutes a breach of the New Zealand Rules of Racing.
- 16 When a foal entered in the New Zealand Register of Non Stud Book Mares has proved satisfactorily eight thoroughbred crosses consecutively, including the cross of which it is the progeny, and shown such performances in races open to thoroughbreds, in both the thoroughbred and non thoroughbred sections of its pedigree as to warrant its assimilation with thoroughbreds, NZTR supported by the unanimous agreement of the International Stud Book Committee may allow such animal to be promoted to Stud Book status and to be considered as eligible to apply for admission to the New Zealand Stud Book. NZTR with the unanimous support of the International Stud Book Committee may

classify a Non Stud Book mare as a 'vehicle' mare, if it can prove satisfactorily seven consecutive thoroughbred crosses and show satisfactory performances in both thoroughbred and non thoroughbred sections of its pedigree. The product of the mating of a Stud Book stallion and a 'vehicle' mare is eligible for promotion to the New Zealand Stud Book provided it has been accepted for inclusion as a foal in the New Zealand Register of Non Stud Book Mares.
