TRIALS BALLOTING CONDITIONS

In the event that the number of entries for a trial meeting means that the number of heats exceed 30, then the following elimination conditions will apply:

1. When programming trials, preference will be given to those events that were eliminated at the previous trials meeting in the Northern Region.
2. In August, September & October, Maiden four year olds and upwards will be eliminated first starting with the longest distance. If further eliminations are required the next horses to be eliminated will be Maiden three year olds starting with the longest distance. In the months of November through July (inclusive) Maidens will be eliminated first starting with the longest distance.
3. Exemptions regarding longer distance heats will be considered if there is a need to accommodate horses preparing for jumping races.
4. When trial fields are compiled in the months of November through July (inclusive) three & four year old+ Maiden heats will be combined. In August, September & October, three & four year old+ Maiden heats will be programmed separately.
5. Once the fields have closed, no further entries will be received or horses swapped except in extreme circumstances, such as a horse being placed in an incorrect heat by the NRB.

SCRATCHING FEE

A scratching fee will apply to any horse that is scratched from a trial meeting after the nomination deadline has passed.

The scratching fee will be the applicable starters fee.

The scratching fee will be waived in the following circumstances:

- A veterinary certificate is received by NZTR by 12 noon on the first business day after the trial meeting.
- A horse starts at a race meeting within 5 days of the scheduled trial meeting.
- The track conditions move two bands in either direction after the nominations have closed. E.g. Good - Slow, Dead - Heavy and vice versa.
- A horse is late scratched at the barrier on veterinary advice.
- The Club requests that NZTR remove the fees from any horse.

Traceability

Completing an SR24 is a requirement to ensure NZTR can complete and assist with traceability when horses exit the thoroughbred industry.

Each Horse's accountable person must submit an 'SR24 Notification of Death or Retirement of a Thoroughbred' to ensure we can maintain our record keeping and assist with traceability in their second careers.
