POINTS SYSTEM FOR MAIDEN RACES

The following is an explanation of the points system used for field selection for maiden races:

Raceday 2nd add 2 points – minimum 7 points, maximum 9 points
Raceday 3rd add 1 point – minimum 6 points, maximum 9 points
Raceday 4th minimum 5 points – if presently higher stays as is
Raceday 5th minimum 2 points – if presently higher stays as is
Raceday 6th in one of a horse's first 3 starts will accrue 1 point. This is not accumulative.

- 1 point to be deleted for every unplaced run (6th or worse), after 3 unplaced runs points revert to zero.
- Any Maiden horses rated 45 that win a trial receive 2 points. Points are not cumulative.
- Fell, brought down, pulled up, ran off, disqualified and lost rider are ignored.
- An unplaced run in a Group or Listed race is ignored.

Examples:

02875 points	7661 point	45654 points
82028 points	39080 points	0061 point
45229 points	04993 points	20055 points
99845 points	45645 points	24348 points

TRIALS BALLOTING CONDITIONS

In the event that the number of entries for a trial meeting means that the number of heats exceed 30, or the prescribed limit of horses for that venue, then the following elimination conditions will apply:

1.

When programming trials, preference will be given to those events that were eliminated at the previous grass trials meeting in the Northern Region.
2.

In August, September & October, **Open 1200 will be eliminated first followed by Maiden four-year-olds and upwards 1200.** The eliminated events will have preference at the next set of grass track trials. Should eliminations be required at these trials then the shortest distances for Maiden four years old and upwards will be eliminated.

If further eliminations are required, the next horses to be eliminated will be Maiden three-year-olds starting with the shortest distance.

In the months of November through July (inclusive) **Open 1200 will be eliminated first followed by Maiden 1200.** The eliminated events will have preference at the next set of (grass track) trials. Should eliminations be required at these trials then the shortest distances for Maidens will be eliminated.
3.

Exemptions regarding longer distance heats will be considered if there is a need to accommodate horses preparing for jumping races.
4.

When trial fields are compiled in the months of November through July (inclusive) three- & four-year-old+ Maiden heats will be combined. In August, September & October, three- & four-year-old+ Maiden heats will be programmed separately.
5.

When partial eliminations are required, ie X number of horses within a particular group, the NZTR Racing Team will apply a common-sense approach. This will give consideration to a number of factors including, but not limited to, voluntary eliminations from those with multiple entries, regional location and horses trained by trainers with other entries at the trials.
6.

No Open heats less than 1000m will be programmed in the Northern region.
7.

Once the fields have closed, no further entries will be received or horses swapped except in extreme circumstances, such as a horse being placed in an incorrect heat by the NRB.

SCRATCHING FEE

A scratching fee will apply to any horse that is scratched from a trial meeting after the nomination deadline has passed.

The scratching fee will be the applicable starters fee.

The scratching fee will be waived in the following circumstances:

- A veterinary certificate is received by NZTR by 12 noon on the first business day after the trial meeting.
- A horse starts at a race meeting within 5 days of the scheduled trial meeting.
- The track conditions move two bands in either direction after the nominations have closed. E.g. Good - Slow, Dead - Heavy and vice versa.
- A horse is late scratched at the barrier on veterinary advice.
- The Club requests that NZTR remove the fees from any horse.

NZTR ACKNOWLEDGED RETRAINER

The NZTR Acknowledged Retrainer network helps Thoroughbreds make a successful transition from racing into the sport horse industry. During their education, horses are tested in a variety of situations, then matched with the most appropriate home. There are a range of success stories, from high performing eventers to happy hackers adventuring around the country.

Set your Thoroughbred up for success by ensuring they arrive at the retrainers sound, freshly shod, up to date with dental treatments and are in a working condition, ready to start their education.
