### 3.0 EXECUTIVE SUMMARY OF NZTR FUNDING POLICY FOR THE 2026/2027 SEASON

#### Executive Summary

Due to uncertainty in funding to be paid by TAB NZ for the 2026/2027 season, NZTR can only confirm stake levels for the first three and a half months of the season. Further advice on funding and stakes will be circulated when available.

#### Stakes Funding

- a) NZTR will directly pay all **Minimum stake** levels for each race and meeting class in the tables below in Section 1, provided all of this funding is paid to participants as stake money. The following minimum stakes for non-Group and Listed races will apply for the 2026/2027 Season, **confirmed initially for just the first three and a half months**.

- **Iconic** meeting minimums run at \$65,000, with Iconic Open races at \$75,000.
- **Premier** meeting minimums (excluding Maiden races) run for \$65,000 with Maiden races at \$30,000.
- **Feature** prizemoney minimums during the Peak season (22 August to 3 April):  
Open races run for \$50,000. R75, R65, MAAT and 2&3YO races run for \$40,000, Maidens at \$25,000.
- **Feature** prizemoney minimums during the Off-peak season (1 to 21 August and 4 April to 31 July):  
Open races run for \$40,000. R75, R65, MAAT and 2&3YO races at \$35,000, Maidens \$20,000.
- **Industry** prizemoney minimums during the Peak season (22 August to 3 April):  
Open races run for \$25,000. R75, R65, MAAT, 2&3YO and Maiden races run for \$18,500.  
Midweek twilight meetings held from November to March, all races run for \$25,000.
- **Industry** prizemoney minimums during the Off-peak season (1 to 21 August and 4 April to 31 July):  
Open races run for \$22,000. R75, R65, MAAT, 2&3YO and Maiden races run for \$17,000.
- Prizemoney will be paid back to 10<sup>th</sup> place for all races unless specifically noted within the conditions of the race and approved by NZTR. For races with fewer than 10 starters, prizemoney will not be paid to unfilled placings.

A full list of meetings and categories is attached as Appendix Six.

- b) **Group and Listed** races will be funded to the minimum levels outlined in Section 2. The following minimums will apply for the 2026/2027 Season, **confirmed initially for just the first three and a half months**.

- Group 1 race minimums at all meetings will be run for a minimum of \$400,000.
- At **Iconic and Premier** race meetings:
  - Group 2 race minimums are \$175,000.
  - Group 3 race minimums are \$120,000.
  - Listed race minimums are \$90,000.
- At **Feature and Industry** race meetings:
  - Group 2 race minimums are \$150,000.
  - Group 3 race minimums are \$100,000.
  - Listed race minimums are \$80,000.

Group and Listed minimum stakes beyond the first three and a half months will be confirmed separately. All Group and Listed race dates and stakes are subject to confirmation from the Pattern Review Committee. For the new NZ Thoroughbred Summer of Racing period, several Group and Listed races had their stake levels increased above these minimums for the last two seasons. These stake increases will also be subject to confirmation of funding noted above.

- c) **Additional Race Funding** merges the previous categories of Iconic race, Heritage race, Country Cup, Other race, Special Interest and Innovation race funding, where NZTR provides additional funding over and above the normal minimums for the class or category of the race. Additional club stakes funding for these races is also noted. A table of these races is included in the document below, initially just for the first 3.5 months of the season. See Section Three.
- d) **Jumps race** stakes will be funded as per the table in Appendix Three.
- e) All the above funding will be considered as part of the minimum stakes obligation for NZ thoroughbred races. NZTR's payment of minimum stakes will directly match the minimum stake paid to participants for each race. Should not all the minimum funding amount (including minimum stakes and Additional Race funding) be paid to participants as stake money, then NZTR will only fund clubs up to the level of the actual funding amount paid out. This may occur in instances where the field size ends up lower than the number of place getters intended to receive stake money.

## Club and Meeting Funding

- f) **Meeting funding** is paid per meeting, based on the category of meeting.

- Funding for Iconic and Premier meetings is **\$29,000**.
- Funding for Feature meetings is **\$11,000**.
- Funding for Industry meetings is **\$8,000**.

Clubs will also be required to meet the Minimum Standards by Meeting Type, outlined in Appendix Five. If NZTR determines in its sole discretion that a Club is not meeting applicable standards, it may withhold, suspend or impose conditions on future meeting funding. Funding may be reinstated once NZTR is satisfied that the Club has taken appropriate steps to remedy the non-compliance and meet the required standards. A list of all meetings and categorisations is included in Appendix Six.

See Section 4.

- g) **Venue category funding** is paid per meeting, based on the category of venue.

- Funding for International and Strategic venues is **\$22,000**.
- Funding for Significant venues is **\$19,500**.
- Funding for Supporting venues is **\$15,000**.
- Funding for Community venues is **\$12,000**.

A list of all venues and their categorisations is included in Appendix One. See Section 5.

- h) **Race meeting compliance** funding is **\$8,500** per meeting. Funding is paid upon fulfilment of racing information requirements as outlined. \$2,000 will be paid to clubs that have adhered to the Minimum Venue Guideline Standards for their meeting and **\$6,500** to clubs that complete a race meeting club checklist, submit weather and track conditions as detailed in Section 6. Race meeting compliance funding to be paid directly to the club hosting the race meeting, unless otherwise arranged with both clubs and NZTR.

- i) **Club compliance** funding is paid annually.

- Funding for International venues is **\$45,000**.
- Funding for Strategic venues is **\$37,500**.
- Funding for Significant venues is **\$32,000**.
- Funding for Supporting venues is **\$29,000**.
- Funding for Community venues is **\$24,500**.
- Funding for training and trials only venues is **\$21,500**.
- Funding for tenant clubs is **\$11,000**.

Club compliance funding is subject to clubs meeting the following conditions:

- **\$5,500** will be paid to clubs that meet their annual financial reporting requirements by 31 December 2025.
- Between **\$3,500 and \$9,500** will be paid to the principal clubs at venues that utilise the NZTR approved Health and Safety Online system and comply with the requirements of this system.
- Between **\$7,000 and \$20,000** will be paid to the principal clubs at venues if their track renovation period and plan is agreed with NZTR and their Regional Track Adviser. See Section 7.
- Payment for the re-registration of Club Constitutions will be replaced by a future requirement to be determined over the next few months. This will be communicated separately to clubs by NZTR.

For the last three elements of Club Compliance funding, different levels of funding apply to each venue categorisation, from training and trials venues through to International venues.

- j) **Event tier** funding is paid per meeting for events ranked from Tier 1 to Tier 5.

- Event Tier 1 meeting funding is **\$72,000**.
- Event Tier 2 meeting funding is **\$36,000**.
- Event Tier 3 meeting funding is **\$18,000**.
- Event Tier 4 meeting funding is **\$12,000**.
- Event Tier 5 meeting funding is **\$6,000**.

141 total events will receive this funding. See Section 8. All meetings categorised as Event Tiers 1 through 5 are listed in Appendix Two.

- k) **Carnival** funding of **\$65,000** for 10 race meetings as detailed. Funding to be used to support marketing initiatives of these major carnival events. Individual arrangements on each Carnival

funding event must be submitted and approved in writing by NZTR. Either the Carnival funding is spent directly by the club on approved carnival marketing activity, or costs are incurred by NZTR in support of the club and funding is redirected back to NZTR. See Section 9.

- l) Meetings with jumps races will receive a **\$3,500 Jumping Support** fee. An additional **\$2,500** per meeting will be paid to venues that hold 5 or more jumps meetings per season. Section 10.
- m) A commission of **10%** will be paid on total **On-course turnover** (all totalisator racing and FOB racing turnover) generated through on-course terminals at all meetings. A commission of **12.5%** will be paid on all racing turnover placed with TAB NZ and betcha on digital or mobile devices that are located on-course during a raceday. If the total turnover commission for any meeting equates to less than \$5,000, a minimum payment of \$5,000 will be paid. See Section 11.
- n) **Public holiday** funding of 33% of the amount paid to tote staff hired for a public holiday meeting up to a maximum of **\$6,000** per meeting will be funded. In addition, a flat funding per public holiday meeting of **\$3,500** will be paid to clubs to assist with their additional costs in employing raceday officials for the day. See Section 12.
- o) A **Strategic Training Centre** subsidy will be paid according to the percentage of starts nationally produced by the largest training venues. This payment will be based on 2025/2026 start numbers and are detailed in the table in Section 13. The payment amount has been amended to \$10,000 per 1% level of national starts produced, with a minimum of \$1.5% starts produced applying. Venues that receive this payment must fulfil other requirements detailed both in this section and the Funding Policy document as a whole.
- p) **Contestable funding** Human Resource support will be available in 2026/2027. See Section 14.

## Other

- q) **Nomination and acceptance fees** are not charged for any races below Group and Listed level, with exception of the five Innovation races added in 2023/2024. Prestige Jumps and Open jumps races do not have nomination and acceptance fees charged to owners. Non-Acceptance and Scratching fees will still be charged for all races. A nomination fee will not be charged for any non-Group and Listed race run at Maiden through to Open and at age group level. However, a non-acceptance fee of \$50 (plus GST) will be charged to owners of horses that nominate but do not accept for any of these races. Acceptance fees will not be charged for any non-Group and Listed run at Maiden through to Open and at age group level. However, a scratching fee of 0.75% (plus GST) of the total stake will be charged to owners for any horse that has been scratched from any of these races. Clubs will continue to set nomination and acceptance fees for all Group and Listed races, based on NZTR guidelines, and will receive the nomination and acceptance income from these fees. NZTR will set and collect the acceptance fees for the five Innovation races, as detailed in this document. For Prestige Jumps and Open jumps races as listed in Appendix Three, NZTR will fund clubs the equivalent nomination and acceptance fees that would have been charged to owners.
- r) NZTR policy for the **abandonment of meetings or races** is set out in Appendix Four.
- s) Clubs are required to comply with all conditions of the betting licence/s issued to them by the TAB NZ as part of the Final 2026/2027 Racing Calendar.
- t) Any races run in excess of the number granted under a club's licence in the TAB NZ Final 2026/2027 Calendar will need to be approved by NZTR, prior to withdrawal time.
- u) Any race with an early nomination and more than one withdrawal fee must be approved by NZTR, prior to advertising the conditions of the race.

## 4.0 FUNDING POLICY DETAILS FOR THE 2026/2027 SEASON

The elements from the NZ Thoroughbred Funding Policy that apply to the 2026/2027 season are detailed below, separated into three sections:

- 4.1 Stakes Funding,
- 4.2 Club and Meeting Funding, and
- 4.3 Other.

**Due to uncertainty in funding to be paid by TAB NZ for the 2026/2027 season, NZTR can only confirm stake levels for the first three and a half months of the season. Further advice on funding and stakes will be circulated when available.**

### 4.1 STAKES FUNDING

#### 1. Stake minimums per meeting and race class (non-Group and Listed):

NZTR will directly pay the minimum stakes levels for each race and meeting class in the below tables, provided all of this funding is paid to participants as stake money. 21 races have been added to the 2026/2027 Calendar.

The following minimum stakes for all races (excluding Group and Listed races) will apply for the 2026/2027 season, **confirmed initially for just the first three and a half months:**

#### Peak season: 22 August to 3 April

| Meeting Category | Open   | R75    | R65/ MAAT | 3&4YO  | 2YO    | Maiden |

A full list of meetings and categories is attached as Appendix Six.

## 1.1 Prizemoney allocation to placegetters

Prizemoney will be paid back to 10th place for all races except those specifically approved by NZTR and detailed in the Racing Programme Booklet. In races with fewer than 10 starters, prizemoney will only be paid to the number of horses that start—no prizemoney will be paid for unfilled placings or reallocated to the remainder of the field. Any savings in advertised prizemoney will be used by NZTR to help support the prizemoney of added, divided or split races where demand is identified, either prior to or after the date of nominations.

For races with total stakes of less than \$20,000, a different prizemoney percentage allocation will apply compared to races worth \$20,000 or more. This ensures that the share of stakes paid to the owners of horses finishing 10th or better is sufficient to cover the rider's fee, inclusive of GST.

| Less than \$20,000 |         | \$20,000 or more |         |
|--------------------|---------|------------------|---------|
| Placing            | % split | Placing          | % split |
| 1st                | 56.0%   | 1st              | 57.5%   |
| 2nd                | 18.0%   | 2nd              | 18.5%   |
| 3rd                | 9.0%    | 3rd              | 9.0%    |
| 4th                | 5.0%    | 4th              | 5.0%    |
| 5th                | 2.0%    | 5th              | 2.5%    |
| 6th                | 2.0%    | 6th              | 1.5%    |
| 7th                | 2.0%    | 7th              | 1.5%    |
| 8th                | 2.0%    | 8th              | 1.5%    |
| 9th                | 2.0%    | 9th              | 1.5%    |
| 10th               | 2.0%    | 10th             | 1.5%    |
|                    | 100.0%  |                  | 100.0%  |

An allocation of 1% of total prizemoney to a Horse Welfare fund will continue using the current mechanism, with 1% removed from each share to be paid to owners, trainers and riders and not from the topline prizemoney amount.

## 2. Group and Listed minimums (all meeting types):

Clubs conducting Group and Listed races are to be funded to the minimum of the relevant Group and Listed race level below, provided the full amount of this funding is paid to participants as stake money. The following Group and Listed Race minimums will apply for the 2026/2027 Season, **confirmed initially for just the first three and a half months**:

| Meeting Category | Group 1 | Group 2 | Group 3 | Listed |
|------------------|---------|---------|---------|--------|
| Iconic           | 400,000 | 175,000 | 120,000 | 90,000 |
| Premier          | 400,000 | 175,000 | 120,000 | 90,000 |
| Feature          | 400,000 | 150,000 | 100,000 | 80,000 |
| Industry         | 400,000 | 150,000 | 100,000 | 80,000 |

For the new NZ Thoroughbred Summer of Racing period, several Group and Listed races had their stake levels increased above these minimums for the last two seasons. These stake increases will also be subject to confirmation of funding noted above.

All Group and Listed race dates, stakes and status are subject to confirmation by the Pattern Review Committee. Where time permits, upgraded **and** downgraded races will receive their new Group and Listed race minimum funding. NZTR will, however, consider any Pattern Review Committee recommendations around the stake of Group and Listed before making any adjustments to stakes.

### 3. Additional race funding

This funding stream merges the previous categories of Iconic race, Heritage race, Country Cup, Other race, Special Interest and Innovation race funding, where NZTR provides additional funding over and above the normal minimums for the class or category of the race. Additional club stakes funding for these races is also noted.

**The below table details races run in the first 3.5 months of the season, with the remainder of races subject to confirmation of funding.**

| Day | FY27 Date  | Venue               | Race name             | G&L or race type | 2026/2027 NZTR min stake fund | NZTR Additional Contribution FY27 | Total Club Contribution FY27 | FY27 Total Stake |

## 4.2 CLUB AND MEETING FUNDING

**Due to uncertainty in funding to be paid by TAB NZ for the 2026/2027 season, NZTR can only confirm Club and Meeting Funding levels for the first three and a half months of the season. Further advice on funding will be circulated when available.**

The core structure of club and meeting funding structure has been maintained for the 2026/2027 Season, **noting that this may have to be reviewed depending on confirmation of funding.** Two new race meetings have been added to the 2026/2027 Calendar, increasing the total funding required.

In the event of a fully or partially abandoned race meeting, NZTR will review the circumstances leading to the abandonment. This review will be undertaken in consultation with the Racing Integrity Board (RIB), Regional Track Advisors, and other relevant experts as required.

Based on the review, NZTR may elect to withhold all or part of the applicable Club or meeting-related funding. Further details are provided in Appendix Four: Policy for Funding Abandoned Meetings.

### 4. Meeting Type

| Meeting type        | Iconic | Premier | Feature | Industry |
|---------------------|--------|---------|---------|----------|
| Funding per meeting | 29,000 | 29,000  | 11,000  | 8,000    |

Clubs will receive Meeting Type payments as set out in the above table for each category of meeting they hold.

A full list of meeting categories by date and by region and club is attached as Appendix Six. Please note that these meeting categories are draft and remain subject to change from feedback received, and to changes in licences and venues that may occur. The race dates are based on the Final Calendar 2026/2027 as released by TAB NZ on 20 May 2026.

Clubs will also be required to meet the Minimum Standards by Meeting Type, outlined in Appendix Five. If NZTR becomes aware that standards are not being met by clubs, future Meeting Type funding may be withheld.

## 5. Venue Category

| Venue category      | International | Strategic | Significant | Supporting | Community |
|---------------------|---------------|-----------|-------------|------------|-----------|
| Funding per meeting | 22,000        | 22,000    | 19,500      | 15,000     | 12,000    |

Venue Category funding will be paid per meeting based on the category of the venue the meeting has been held at.

The Venue Category funding is to be paid directly to club running the race meeting. In the case of a club running a race meeting at another club's venue, alternative arrangements can be made with NZTR for the redirection of this funding if agreed to by both the tenant and host club.

This funding is targeted to assist venues meeting the minimum standards expected for each venue category as well as to assist all venues to conduct race meetings. A full list of all NZ thoroughbred venues and their categorisation under NZTR's Infrastructure Policy is attached as Appendix One.

## 6. Race Meeting Compliance

| Race meeting compliance | International | Strategic | Significant | Supporting | Community |
|-------------------------|---------------|-----------|-------------|------------|-----------|
| Funding per meeting     | 8,500         | 8,500     | 8,500       | 8,500      | 8,500     |

The Race Meeting Compliance Funding is a key element of club funding. Payment of this funding is subject to the Clubs complying with NZTR's operational and information requirements in the lead-up to each scheduled race meeting. These requirements may include (without limitation) timely submission of race day documentation, operational readiness, and compliance to regulatory obligations. Failure to meet these requirements may result in the funding being withheld, reduced, or subject to further conditions.

**\$2,000 of the Race Meeting Compliance funding payment is dependent on each club adhering to the Minimum Venue Guideline Standards for each race meeting.**

This includes complying with direct advance instruction to remedy a Minimum Venue Guideline Standard identified at a prior race meeting.

**\$6,500 of the Race Meeting Compliance funding is dependent on clubs completing every element of the below:**

- a) Filling out a Race Meeting Club Checklist for the National Racing Bureau (NRB) for each race meeting.
- b) For turf meetings, providing weather, track, rail position & penetrometer updates for each race meeting to the NRB on the following days and times:
  1. Nomination Day - before 9.00am
  2. Withdrawal Day - before 8.30am
  3. Two Days Prior to Meeting – 4.00pm – not required for Thursday & Friday meetings
  4. Day Prior to Meeting – before 9.00am & update before 5.00pm
  5. Race-morning - before 7.00am
- c) For synthetic meetings, regular weather updates are still required, especially where the weather is changeable.

Clubs will be required to use all resources at their disposal to ensure the accuracy of this information. Clubs are to liaise directly with the NRB if extenuating circumstances mean that any of the above steps are unable to be completed.

It is important that club staff who will be directly responsible for completing the above tasks are made aware of this funding category and the effect on club funding if not carried out. NZTR intends to fully enforce these aspects in the 2026/2027 season.

Race Meeting Compliance Funding will be paid directly to the Club hosting the race meeting, unless alternative arrangements have been agreed in writing by NZTR and all relevant Clubs.

## 7. Club Compliance

| Club compliance categories     | International | Strategic     | Significant   | Supporting    | Community     | Training      | Tenant        |
|--------------------------------|---------------|---------------|---------------|---------------|---------------|---------------|---------------|
| Financial Reporting            | 5,500         | 5,500         | 5,500         | 5,500         | 5,500         | 5,500         | 5,500         |
| Health & Safety Model          | 9,500         | 8,000         | 7,500         | 6,500         | 5,000         | 3,500         |               |
| Track Renovation Period        | 20,000        | 15,000        | 11,000        | 10,000        | 8,000         | 7,000         |               |
| Future compliance (TBD)        | 10,000        | 9,000         | 8,000         | 7,000         | 6,000         | 5,500         | 5,500         |
| <b>Club compliance funding</b> | <b>45,000</b> | <b>37,500</b> | <b>32,000</b> | <b>29,000</b> | <b>24,500</b> | <b>21,500</b> | <b>11,000</b> |

The Club Compliance funding stream is an annual payment made to each club with a minimum of one licence scheduled in the 2026/2027 Calendar, or that holds a race meeting with the support of another club, or that operates a training and/or trials venue. Payment for the re-registration of Club Constitutions will be replaced by a future requirement to be determined over the next few months. This will be communicated separately to clubs by NZTR.

**\$5,500 of the club compliance funding payment is dependent on each club meeting the following conditions around their Financial Annual Reporting:**

- Clubs must hold an AGM and submit a copy of the club's audited set of **financial statements** in accordance with Generally Accepted Accounting Principles (GAAP) in New Zealand, **annual report, approved minutes of their previous AGM and draft minutes of the most recent AGM to NZTR ([funding@nztr.co.nz](mailto:funding@nztr.co.nz)) by 31 December** following the end of the club's financial year.
- The financial statements must be in the form and using the appropriate Public Benefit Entity Accounting Standards (PBE Standards) applicable for not-for-profit entities.
- NZTR has circulated a standardised reporting template at the start of 2026/2027. Clubs will be asked to use this standardised reporting template as the basis for preparing their financial statements from 2026/2027 onwards, in order to meet reporting compliance funding requirements. As previously signalled with the industry, the standardisation of financial reporting will benefit the industry and become a valuable tool for comparisons between clubs and trends analysis.
- Clubs should file their financial statements with the Incorporated Societies Registrar after they have been submitted to and approved by the members of the committee at the AGM. The deadline for filing is the end of the month after the AGM.
- Clubs that do not have a 31 July financial year reporting date are asked to amend their reporting to align with this date by the 2026/2027 season. This will mean that for affected clubs the 2026/2027 season Annual Report will by necessity have to be for an adjusted period.
- It is no longer a requirement for a separate class 4 gaming audit to take place or for the gaming grant receipts template to be filled out. No costs for a gaming grant audit will be paid by TAB NZ or NZTR.
- A currently registered, independent and fully qualified auditor must be used to undertake the club's financial audit.
- The auditor of the financial statements must be a qualified auditor under the meaning of the Financial Reporting Act 2013.
- The audit must be completed in accordance with the New Zealand Auditing Standards.
- NZTR is encouraging the use of a more concentrated number of auditors of Club financial statements across the industry and may provide targeted funding to encourage Clubs to move to a common auditor. Clubs can contact the NZTR Head of Finance via [funding@nztr.co.nz](mailto:funding@nztr.co.nz) to further discuss changing to this auditor.

- Clubs are required to complete and submit the Liability Insurance Declaration and Earthquake Assessment Status Report, which is issued by NZTR on a six-monthly basis, by the required return date.  
As part of this process, each Club must:
  - Confirm whether they are aware of any notifiable events that may give rise to a claim under any of the group liability insurance policies held by NZTR;
  - Provide updates on any previously notified events; and
  - Advise NZTR of any changes in the Club's status in relation to Local Council or Regional Council earthquake-prone building requirements.
- Clubs Digital Network. For those Clubs who are live on the network it is a requirement that
  - a) the Terms of Use for the network are accepted, and
  - b) best efforts are made to comply with minimum standards and guidelines which will be issued by 1 August.
- Additional reporting requirements. During the 2026/2027 season, NZTR may also request additional information from clubs. Provision of any such information will also become a requirement of this Funding Policy and funding will be subject to receipt of this additional information as well.

**Please e-mail all financial annual reporting compliance documentation to [funding@nztr.co.nz](mailto:funding@nztr.co.nz) by 31 December.**

**The Health and Safety portion** of the Club Compliance funding payment is dependent on Clubs demonstrating their compliance with the requirements of the Health and Safety at Work Act. Clubs that have their own racing or training venues are required to use the Safety Online Health & Safety System, funded by NZTR on behalf of Clubs.

The NZTR funded package includes the Annual Licence Fee and quarterly visits or online Meetings. Any additional consultancy is at the Club's cost.

As part of the utilising this package, clubs will have to ensure that:

- The Club has a Health and Safety Plan;
- The Club maintains a risk register and performs regular site checks;
- The Club records all Health and Safety related training of staff;
- The Club records all incidents, accidents and near-misses;
- The Club reports all notifiable incidents to WorkSafe;
- The Club keeps a record of all Health and safety Committee meetings;
- The Club has an Emergency Evacuation Plan;
- All of the club's employees and all contractors who go onto the club's premises will be made aware of the content of the club's Health and Safety Plan and their need to comply with it (as and to the extent applicable);
- The club has appropriate (and compliant) signage at their premises.

Tenant Clubs (those that do not also operate a racing, training and trials venue) do not require the Safety Online System and will not receive any funding under this category.

**Please contact [compliance@nztr.co.nz](mailto:compliance@nztr.co.nz) if you require any further information regarding your venue's Health and Safety obligations or [funding@nztr.co.nz](mailto:funding@nztr.co.nz) for funding queries.**

**The Track Renovation portion of the Club Compliance funding payment is dependent on the following:**

- Agreement with NZTR & Regional Track Advisor (RTA) on an annual track renovation plan and appropriate time frame. This plan must be submitted for review and approval by NZTR Management, and RTA, who will assist with the development of, and will monitor, the plan.
- Payment may be withheld by NZTR if it determines that the annual track renovation plan was not substantively adhered to, unless NZTR had prior knowledge and agreed to a change in the plan, or for reasons beyond the club's control.
- Clubs that are appointing new Track Managers must consult with NZTR Management on the appointment prior to its confirmation.
- Tenant clubs (those that do not also operate a training and trials venue) do not need to submit a track management template and will not receive any funding under this category.

**Please contact [tim.lambert@nztr.co.nz](mailto:tim.lambert@nztr.co.nz) if you require any further information regarding your venue's Health and Safety obligations or [funding@nztr.co.nz](mailto:funding@nztr.co.nz) for funding queries.**

#### **Approval and re-registration of Club Constitutions/Future Compliance**

The Club Compliance funding for the re-registration of Club Constitutions will be replaced by a future requirement to be determined over the next few months. This will be communicated separately to clubs by NZTR.

Once confirmation that clubs have followed the correct procedures and all documents have been received, NZTR will arrange for payment of the Club Compliance (or part payments as relevant) to be made. If clubs require any other assistance with any of the matters noted above, please e-mail [funding@nztr.co.nz](mailto:funding@nztr.co.nz).

**As noted above, NZTR will withhold funding from clubs if documentation is not received by the required dates.**

## 8. Event Tier

| Event tier<br>(refer list of events) | 1      | 2      | 3      | 4      | 5     | 6 |
|--------------------------------------|--------|--------|--------|--------|-------|---|
| Funding per event                    | 72,000 | 36,000 | 18,000 | 12,000 | 6,000 | - |

Identified meetings will receive an additional event tier payment to help support the cost of setting up and hosting events. A list of the race meetings and their proposed event tiers is attached as Appendix Two. Event tier 6 meetings are meetings that are not categorised as events and therefore do not receive any event funding. There are currently 141 race meetings proposed to receive Event Tier funding. Some adjustments have been made to reflect the change in the pattern of major races, meetings over the NZTR Summer of Racing period, sizes of events or impacts from other funding changes.

The above table summarises the funding amount for each event tier. The more significant the event and the larger the crowd being hosted on-course, the higher an event will be categorised and the higher the funding amount the club will receive.

Please contact [funding@nztr.co.nz](mailto:funding@nztr.co.nz) with any questions.

Clubs will also be required to meet the new Minimum Standards by Meeting Type, outlined in Appendix Five. If NZTR becomes aware that standards are not being met by clubs, future Event Tier funding may be withheld.

Some additional aspects to be noted:

1. The ranking of events is based on on-course turnover, on-course attendance and the relative size of the event. There are instances where meetings were ranked based on the overall impact of the Funding Policy on clubs, to ensure as much as possible clubs were not disadvantaged by previous changes to the Funding Policy.
2. Some clubs may have individual arrangements to hold back a portion of Event Tier funding to support event marketing initiatives.

## 9. Carnival funding

Carnival Funding of \$65,000 will be paid to the following ten race meetings:

| FY26 Race Date   | Club           |
|------------------|----------------|
| Sat, 10 Oct 2026 | Hawke's Bay RI |
| Sat, 7 Nov 2026  | Canterbury JC  |

Funding to be used to support marketing initiatives of these major carnival events. Individual arrangements on each Carnival funding event must be submitted and approved in writing by NZTR. Either the Carnival funding is spent directly by the club on approved carnival marketing activity, or costs are incurred by NZTR in support of the club and funding is redirected back to NZTR.

## 10. Jumping support

A \$3,500 per meeting payment will be paid to clubs conducting jumping races to recognise jumping infrastructure and set-up costs. An additional \$2,500 per meeting (total of \$6,000) will be paid to clubs that hold five or more jumps meetings per season.

## 11. On-course commission, including TAB NZ digital turnover and minimums

A commission of **10%** will be paid on total On-course turnover (all totalisator racing and FOB racing turnover) generated through on-course terminals at all meetings.

A commission of **12.5%** will be paid on all racing turnover placed with TAB or betcha on digital or mobile devices that are located on-course during a raceday.

If the relevant total turnover commission for any meeting equates to less than \$5,000, a minimum payment of \$5,000 will be paid.

## 12. Public Holiday funding

| Public Holiday                            | Iconic                                                                                  | Premier | Feature | Industry |
|-------------------------------------------|-----------------------------------------------------------------------------------------|---------|---------|----------|
| Funding per meeting for tote staff        | 33% of the amount paid to tote staff hired for a public holiday up to a max of \$6,000. |         |         |          |

Where a Club races on either a public holiday or observed public holiday NZTR will pay **33% of the gross amount paid to tote staff** hired for the day up to a **maximum of \$6,000**. To be eligible for this funding the Club must provide to NZTR the complete payroll documentation confirming payment to tote staff. This must show each staff member's full name and the gross amount of earnings for the public holiday or observed public holiday worked by the staff member and a total of all relevant payments for each raceday.

In addition, a flat funding per public holiday meeting of **\$3,500** will be paid to clubs to assist with their additional costs in employing raceday officials on the day. No documentation is required for this portion of Public Holiday funding.

### 13. Strategic Training Centre subsidies

Training venues receive a subsidy based on the percentage of national starts produced by each venue in the previous season. This payment recognises the contribution to the industry these venues make through the provision of tracks and facilities for horses in training.

Clubs will be funded \$10,000 for each 1% of starts produced, with a minimum threshold of 1.5% starts produced. The tiers and funding levels for this subsidy are illustrated in the below table:

| % National Starts Produced | Tier | Subsidy   |
|----------------------------|------|-----------|
| 16.00%                     | 16   | \$160,000 |
| 15.00%                     | 15   | \$150,000 |

| 1.00%                      | 1    | \$10,000  |

Note – Minimum threshold of 1.5% of national starts produced applies.

Payment of the subsidy for the 2026/2027 Season will also be subject to the following requirements:

- The payment of all outstanding debts owed by the club or venue operator as determined by NZTR.
- The willingness of the club or venue operator to engage positively with industry initiatives and requests for co-operation, as determined by NZTR.

All eligible venues will receive direct advice of this funding from NZTR at the start of the 2026/2027 season and qualifying venues will receive their funding in two instalments, paid in February and August 2027.

## 4.3 OTHER

### 15. Nomination, acceptance and scratching fees

Nomination and acceptance fees are not charged for any races below Group and Listed level, with the exception of the five NZTR Innovation races, where fees are used to support prizemoney. Prestige Jumps races will no longer have nomination and acceptance fees charged. Non-Acceptance and Scratching fees will still be charged for all races.

A nomination fee will not be charged for any non-Group and Listed race run at Maiden through to Open and at age group level. However, a non-acceptance fee of \$50 (plus GST) will be charged to owners of horses that nominate but do not accept for any of these races.

Acceptance fees will not be charged for any non-Group and Listed run at Maiden through to Open and at age group level. However, a scratching fee of 0.75% (plus GST) of the total stake will be charged to owners for any horse that has been scratched from any of these races.

Clubs will continue to set nomination and acceptance fees for all Group and Listed races, based on NZTR guidelines, and will receive the nomination and acceptance income from these fees. NZTR will set and collect the acceptance fees for the five Innovation races, as detailed in this document. For Prestige Jumps and Open jumps races as listed in Appendix Three, NZTR will fund clubs the equivalent nomination and acceptance fees that would have been charged to owners.

### 16. Policy for funding abandoned meetings and meetings with additional or deleted races

Appendix Four details NZTR policy in the event of an abandonment or part abandonment of a race meeting and the addition or deletion of races, with respect to each of the above funding streams.

As noted above, NZTR may elect to withhold some club and meeting funding in the event of a fully or partially abandoned race meeting. NZTR will review the circumstances that led up to the abandonment in consultation with the RIB, Regional Track Advisors, and turf experts before determining the impact, if any, on funding.

### 17. Other race day costs

Swabbing vets, swabbing attendants, raceday veterinarians and stenographers are employed and paid for by the RIB. In the event that the RIB assume the responsibility for the employment of other Raceday Officials, club and meeting funding may have to be reviewed.

## **18. Conditions of funding**

The following conditions (further to those noted in other sections above) will apply to clubs in order to qualify for funding under this policy:

- Clubs are required to comply with all conditions of the betting licence/s issued to them by TAB NZ as part of the Final 2026/2027 Racing Calendar. In relation to Intellectual Property for receiving vision and audio and racing information, for the 2026/2027 racing season, NZTR supports the current arrangement whereby NZTR and Club racing vision, audio and data intellectual property is provided by agreement to TAB NZ to support TAB NZ's fulfilment of current commercial contracts, on a basis contingent upon development of a mutually intended agreement between NZTR and TAB NZ confirming and enabling NZTR's greater future freedom in commercialising NZTR and Club racing vision, audio and data intellectual property.
- Any races run in excess of the number granted under a club's licence in the TAB NZ Final 2026/2027 Calendar will need to be approved by NZTR, prior to withdrawal time.
- Any race with an early nomination and more than one withdrawal fee must be approved by NZTR, prior to advertising the conditions of the race.
