## NZB MEGA MAIDENS 26/27 SEASON

Karaka Millions riches have been amplified, with horses eligible for the lucrative Karaka Millions Series now racing for an additional \$1m in bonuses.

In an exciting initiative, NZB and NZTR, generously supported by Entain, announced the NZB Mega Maiden Series in 2024, which sees \$1m in bonuses up for grabs across 40 maiden races each season, for the next three years.

Comprised of 40 non-Saturday maiden races located throughout New Zealand, a \$25,000 bonus is struck if a Karaka Millions eligible horse, three years or older, wins. The winning owner takes home \$20,000 and the successful trainer \$5,000.

The following conditions also apply to the 40 NZB Mega Maiden Series races:

- No horse that is KM eligible will be given preference in terms of entry to a race, normal maiden balloting conditions will apply.
- In the event of a KM Bonus race being divided KM Eligible horses will be placed in one race. This will be given priority.

## POINTS SYSTEM FOR MAIDEN RACES

The following is an explanation of the points system used for field selection for maiden races:

Raceday 2nd add 2 points – minimum 7 points, maximum 9 points

Raceday 3rd add 1 point – minimum 6 points, maximum 9 points

Raceday 4th minimum 5 points – if presently higher stays as is

Raceday 5th minimum 2 points – if presently higher stays as is

Raceday 6th in one of a horse's first 3 starts will accrue 1 point. This is not accumulative.

- 1 point to be deleted for every unplaced run (6th or worse), after 3 unplaced runs points revert to zero.
- Any Maiden horses rated 45 that win a trial receive 2 points. Points are not cumulative.
- Fell, brought down, pulled up, ran off, disqualified and lost rider are ignored.
- An unplaced run in a Group or Listed race is ignored.

Examples:

|                    |                    |                    |
|--------------------|--------------------|--------------------|
| 0287 .....5 points | 766 .....1 point   | 4565 .....4 points |
| 8202 .....8 points | 3908 .....0 points | 006 .....1 point   |
| 4522 .....9 points | 0499 .....3 points | 2005 .....5 points |
| 9984 .....5 points | 4564 .....5 points | 2434 .....8 points |

## TRIALS BALLOTING CONDITIONS

1. Black-type horses have a preference, should the distance be conducted.
2. When partial eliminations are required, ie X number of horses within a particular group, the NZTR Racing Team will apply a common-sense approach. This will give consideration to a number of factors including, but not limited to, voluntary eliminations from those with multiple entries, horses that have raced or trialed/trial entered recently, horse record/profile/ rating, regional location and horses trained by trainers with other entries at the trials.
3. Exemptions regarding longer distance heats will be considered if there is a need to accommodate horses preparing for jumping races.

4. When trial fields are compiled in the months of November through July (inclusive) three- & four-year-old+ Maiden heats will be combined. In August, September & October, three- & four-year-old+ Maiden heats will be programmed separately.
5. No Open heats less than 1000m will be programmed in the Northern region.
6. Once the fields have closed, no further entries will be received or horses swapped except in extreme circumstances, such as a horse being placed in an incorrect heat by the NRB.

## SCRATCHING FEE

A scratching fee will apply to any horse that is scratched from a trial meeting after the nomination deadline has passed.

The scratching fee will be the applicable starters fee.

The scratching fee will be waived in the following circumstances:

- **A veterinary certificate is received by NZTR by 12 noon on the first business day after the trial meeting.**
- A horse starts at a race meeting within 5 days of the scheduled trail meeting.
- A band change in track conditions after nominations have closed, eg. Good, Soft, Heavy.
- A horse is late scratched at the barrier on veterinary advice.
- The Club requests that NZTR remove the fees from any horse.
